

CHICAGO AIRLINE DISASTER KILLS 12

JAN MASARYK
FUNERAL SET
FOR SATURDAYCZECH COMMUNIST
RULE GETS VOTE
OF CONFIDENCE

BY A. I. GOLDBERG

Prague, March 11. (P)—Czechoslovakia's Communist government got a unanimous vote of confidence in parliament today as it prepared a state funeral for Foreign Minister Jan Masaryk.

Thus, in two weeks and two days after the seizure of power, Communist Premier Klement Gottwald has tied up parliamentary approval for the program for which he had battled since last summer.

When Chairman Josef David called for the confidence vote, all the 233 deputies who were present raised their hands. The parliament has a normal membership of 300.

Opponents Ousted

Ahead of the deputies is the adoption of legislation to legalize activities of the action committees which Gottwald set up as the Czech crisis developed. The committees took control of the government for him and quickly began to guide every phase of public and private life.

Now Gottwald has a parliament rid of the deputies he did not like. President Eduard Benes still is in office, although resting at his country home. The national coalition of parties is maintained in name, with the addition of trades union representatives and it showed today how it will vote.

Jan Masaryk's state funeral will be Saturday. He will be buried beside his father, founder and first president of the Czechoslovak republic.

The 61-year-old non-party foreign minister was found dead yesterday, two weeks after a new cabinet came to power, in a stone courtyard more than 50 feet below his bathroom window at the foreign office. The government said he jumped.

Funeral services will be held in the Pantheon of the Prague Museum in the central square.

Communist Premier Klement Gottwald will speak. Burial will be in the family plot at Lavi, beside the grave of Thomas G. Masaryk, who was president from 1918 to 1935 and died in 1937.

Vlado Clementis, Communist under secretary of state for foreign affairs, will speak there.

Czechoslovakia mourned the minister today in shocked melancholy. Half-staffed tricolors and

Detroit Wife Held
For Murder While
Husband Is Buried

Detroit, March 11 (P)—A court's refusal of bond kept Mrs. Frances Fitzpatrick in jail today as funeral services were held for her slain husband.

Recorder's Judge Paul E. Krause rejected counsel's plea for bond yesterday when Mrs. Fitzpatrick stood mute to a first degree murder charge.

The 32-year-old mother of four, police said, has admitted the fatal shooting of her husband, John, 32, because he taunted her over his affairs with other women.

A plea of innocent was entered for Mrs. Fitzpatrick. Judge Krause said he might reconsider with respect to a bond after the defendant's examination.

Weather

Reported by U. S. Weather Bureau

UPPER MICHIGAN: Fair and continued cold tonight. Friday mostly cloudy and warmer with snow flurries extreme west portion.

ESCANABA AND VICINITY: Fair and continued cold tonight. Wind west and northwest 20 to 25 MPH, becoming west and southwest 20 to 25 MPH late tonight. Friday increasing cloudiness and warmer afternoon, wind west and southwest 15 to 20 MPH. High 20, low 10 to 15 below.

Nine Women Perish
In Hospital Blaze
At Asheville, N. C.

Asheville, N. C., March 11 (P)—Nine women patients perished here early today in the blazing inferno of a mental hospital fire.

Seven of the victims were trapped helplessly on upper floors of the four-story central building of the Highland Hospital for nervous diseases, Dr. B. T. Bennett, medical director, reported.

Two others were evacuated by firemen who dashed into the fiery structure but they died soon afterward.

The fire, discovered about midnight, started in the kitchen of the hospital's central building. It quickly spread to an elevator shaft and was licking the building's roof when firemen arrived.

Screams of trapped women rang out above the roaring conflagration as doctors, nurses, firemen and police ran through the blazing structure, risking their lives in an effort to save the 20 patients in the building.

They quickly huddled the rescued patients into another building where some sat silently and others yelled hysterically.

The death toll was announced by Dr. Bennett after he and hospital authorities checked the list of patients in the building. They searched the spacious hospital grounds for them in the futile hope that they had escaped and wandered away.

Police Captain Harold Enloe was the first man to reach the building.

OKLAHOMA AND
KANSAS SHIVERBitter Cold Follows
Storm; High Drifts
Block Highways

Kansas City, March 11 (P)—Drifting snow and sub-freezing temperatures—the aftermath of a severe March snowstorm—plagued Kansas, Oklahoma and Missouri today.

Highways were blocked, schools were closed and an acute gas shortage was reported in some areas. Buses and trains were running late.

The snowfall had ended in Kansas, Oklahoma and western Missouri but bitter cold prevailed in many parts. Goodland in western Kansas had a low of 19 degrees below zero early today.

Below zero temperatures also were forecast for the three states tonight.

Snowdrifts as high as 10 feet were reported in the Oklahoma Panhandle. Oklahoma city had eight inches of snow yesterday and the Tulsa, Okla., airport closed its doors for the first time in 20 years.

Many persons were stranded by the snow in Kansas. Near Salina, Kas., 39 persons were rescued yesterday after they took refuge in a small building when a bus and trucks in which they were riding stalled in drifts. Several Kansas towns were snowbound.

Swedish King Seen
Eating, Not Dead

Maubeuge, France, March 11 (P)—King Gustaf V of Sweden was seen at luncheon today with three of his court when his train crossed into France. He is due in Paris late today.

The 89-year-old monarch is en route to the Riviera. Rumors had spread inexplicably through Sweden that he had died aboard the train.

Red Prisoners Are
Paraded in Peiping

Peiping, March 11 (P)—The government paraded 219 Chinese Communist prisoners through Peiping streets in trucks today. General Cha Tachun said they were captured in bloody fighting only 40 miles to the east.

Chicago Basement
Fire Fatal to 3

Chicago, March 11 (P)—Three small children, alone in the basement of their home in suburban Chicago Heights, perished in a fire which destroyed the home yesterday. Police said their parents were at work.

DEATH COMES AT 101

Grand Rapids, Mich., March 11 (P)—Mrs. Justina Borjeson, who came to this country from Sweden when she was 80 years old, died here yesterday at the age of 101.

JEW AGENCY
IS BLOWN UP
IN JERUSALEMU. S. FLAG COVERS
UP PLOT; 11 DEAD
89 INJURED

By JAMES M. LONG

Jerusalem, March 11 (P)—An explosion severely damaged the Jewish agency building today soon after a car flying the American flag was parked in its heavily guarded courtyard.

The Jewish agency, the official organization for Palestine Jewry, said eleven persons were killed and 89 injured. Up to 500 persons were in the building and 50 or 60 were in the right wing, which was the worst shattered.

Haganah, the Jewish militia, took charge. Its preliminary inquiry indicated the explosive had been under the car's floor. The government said the Jews were barring all police from the scene.

Consul's Car Stolen

A Haganah informant said wreckage of the automobile indicated it was that of U. S. Consul General Robert B. Macatee, which was stolen yesterday.

Leib Gafie, chairman of Keren Hayesod, the Jewish national colonization fund, was reported to have been one of those killed. He was a widely known Zionist leader of Russian birth.

Three minor officials of the agency were reported injured slightly.

"It is not yet known how the blast occurred," a spokesman for the Jewish agency told a noon news conference. "We are told that a car bearing the American flag and number plates of the U. S. consulate drove into the courtyard just before the blast."

"The driver was said by guards to be well known to them as one of the consulate drivers. Orders had been given that personnel and property of foreign consulates must be respected. For that reason, the car was allowed in without the usual further check."

The spokesman said only the driver was known to have been in the car. A second man had been reported previously to have accompanied him.

Photographers Restrained

The first dozen or more foreign correspondents and two photographers who reached the scene were shut in one of the underground rooms for almost an hour. Guards said the reason was that photographers were not to be taken showing men with arms.

Armed men were everywhere. The semicircular two-story stone-and-concrete building had hundreds of rooms and was one of Jerusalem's finest.

The right wing, said persons on the scene, was in utter ruin. It still was burning an hour after the blast. The rest of the structure was badly damaged. Windows were shattered, walls cracked and the roof blown off.

The building, finished in the late twenties, housed all archives of the agency and the most important documents.

(Continued on page 16)

Only War Can Free
His Country, Says
Former King Mihai

New York, March 11 (P)—Nothing short of war, under existing conditions, can free his country from its domination by Communists, former King Mihai of Romania says.

The handsome, 26-year-old ex-monarch, accompanied by his mother, Queen Helen, arrived late yesterday aboard the Queen Elizabeth for his first visit to the United States. He plans to remain two or three weeks.

Mihai, who told reporters that his abdication last Dec. 30 was forced by Romanian Communists, said he still considers himself Romania's rightful ruler and believes his countrymen in general remain loyal to him.

Chinese Get Only
Crumbs For \$100

San Francisco, March 11 (P)—The Chinese government makes no bones about the sad plight of its plummeting currency, but the Chinese Communist radio today underlined the situation this way: "In 1937, a hundred dollars Chinese National Currency could buy two cows. In 1939, one egg. And, last month, it could buy only the 50th part of a small slice of Chinese bread, or a few crumbs."

PLANE WRECKED, 19 SAFE

New Orleans, March 11 (P)—The naval air station here reported this morning that a navy transport plane bearing 19 persons crashed near Donaldsonville, La., with no casualties.

ROCK SCHOOL GYM DESTROYED — An overheated furnace caused this fire. The blaze destroyed the Rock high school gymnasium Wednesday. The building was a wood frame structure, built in 1908 as a two-story school

and converted in 1921 for use as a gymnasium. It housed only the gym and a few lockers. The building was burned to the ground, but plans already are underway to replace it with a brick and tile structure.

New Purge Forecast
In Michigan Prisons

Lansing, March 11 (P)—More dismissals in the Upper ranks of Michigan's prison and parole system were forecast today.

The name of Garrett Heyns, State director of Prisons and Industries, topped the list of speculation as to who would be next to feel Governor Sigler's axe.

Sigler, at a press conference, said flatly "certain individuals" in the corrections department would be given a chance to resign, and if they refused would be subjected to dismissal proceedings.

Heyns, a Democrat, was state

corrections director until Sigler's shake up of the department last Fall when he was demoted to one of the second-place jobs in the department. Heyns recently turned down a position as head of the Massachusetts corrections system.

Sigler disclosed his plans for more firings at a press conference attended by his new corrections advisory council. They had met privately for two hours previously. There was some double-talk and confusion as to just where the council stood on the personnel changes apparently contemplated.

Pressed by a reporter, Sigler said "the governor, the commission and the council already have made up their minds to ask for certain resignations."

But when a reporter then asked the council chairman, Prof. Arthur Evans Wood of the University of Michigan, "have you reached the conclusion that there should be some resignations in the department?", Wood replied "I have not."

Asked the same question, Karl Detzer, Leland publisher and council member said, "we have been at this only six hours, but it looks definitely as though there must be some resignations. The council so far has had only secondhand information and wants to talk to the people involved."

GOVERNOR WINS
LIBEL LAWSUIT

Florida Executive Gets \$237,500 Verdict Over Colliers Magazine

Tallahassee, Fla., March 11 (P)—A 12-man federal court jury yesterday awarded Gov. Millard Caldwell \$237,500 damages in his libel suit against Collier's magazine.

The jury, which included three Negroes, deliberated for two hours.

The governor claimed he was libeled in a Collier's editorial on his statement in connection with the killing of Jesse James Payne, Payne, a Negro, was taken from the Madison county jail and shot while he was awaiting trial on charges of attempting to rape the five-year-old niece of Madison county sheriff Lonnie T. Davis.

Caldwell contended the magazine falsely and maliciously damaged him when it said he had expressed an opinion that a "mob had saved courts, etc., considerable trouble" in the Payne case.

He denied he made any such statement.

Hollywood Settles
British Film Tax

London, March 11 (P)—The government announced today an agreement with American film producers to end a tax dispute which brought a Hollywood ban on shipment of films to Britain.

Harold Wilson, president of the Board of Trade, said that the controversial 75 per cent duty on earnings of imported films "would be withdrawn as quickly as the necessary order could be made."

The normal export of American films to this country will "resume as soon as possible," he told the House of Commons.

OLD GYMNASIUM
BURNS AT ROCKFrame Structure Razed
By Blaze; Overheated
Furnace Blamed

Fire resulting from an overheated furnace destroyed the Rock high school gymnasium Wednesday evening. No estimate of the damage was given, but it is partially covered by insurance, George Weingartner, Rock school superintendent, reported.

A wood frame structure, the building was constructed in 1908 as a two-story school but was converted in 1921 for use as gymnasium. It was located across the road from the brick and tile Rock high school building.

Plans had already been drawn and submitted to Lansing for approval for construction of a brick and tile building to replace the old wooden structure, which was leveled yesterday. The burned building was 40 by 65 feet.

The blaze was discovered about 5 p. m. by Connie Pokela, Rock high school junior, who was leaving the school building after taking her music lesson when she saw smoke pouring out of the windows at the rear, the north side.

She reentered the high school

Northern Palestine
Under Martial Law
Of Arab Chieftains

In Northern Palestine, March 11 (P)—Martial law has been decreed in all northern Palestine, effective at dawn today, by Fawzi Bey Al Kaukji, Arab commander.

"Every order from this headquarters will now become the law of the land (Northern Palestine) for civil and military alike," Fawzi Bey declared in his order last night.

His headquarters said prisons now are being established in the mountain top village where Fawzi Bey has set up his command. Several persons already have been arrested and are awaiting trial before military courts, which officers said will begin sitting soon in all major towns and cities of the northern Holy Land.

McGoverns Reject
Tail End of Parade

Newark, N. J., March 11 (P)—The McGoverns say they'll not be marching at the tail end of St. Patrick's parade again this year.

Frank McGovern, leader of the association of 250 members, said they had been promised first place in the parade after consenting to the tail position in 1947.

Parade officials, however, said they had agreed only that each unit would move up one place in line. McGovern said it was not enough and announced last night he was withdrawing his association from the parade.

"No McGovern," he said, "ever finished last two years in a row."

Food Poison Deaths
Of Japanese Denied

Tokyo, March 11 (P)—A Russian assertion that 4,900 Japanese had died after eating American soybean flour was denied today by allied headquarters. Col. Crawford B. Sams, said about 800 Japanese had suffered a mild case of poisoning after eating the flour, but there were no deaths. He said the flour was not contaminated upon its arrival but that "dirty hands" of Japanese handlers and cooks were responsible.

MOTHER ONLY
SURVIVOR OF
FIERY CRASHCRAFT BURNS AFTER
TAKEOFF; APPLETON
MAN IS VICTIM

Chicago, March 11. (P)—A Delta Airlines DC-4 plane crashed and burned explosively late last night a few seconds after it took off from Chicago's municipal airport. Twelve of 13 aboard were killed.

The only survivor was a 33 year old mother whose seven year old son perished in the fiery wreckage. She screamed hysterically for her child as she was pulled from the flames.

The woman, Mrs. Tripolino Meo, of suburban Oak Lawn, Ill., suffered severe burns. Both of her legs and both of her arms were broken.

All four members of the crew were killed. The plane was bound for Miami, Fla. It splashed into an orange-colored, flaming mass on a nearby prairie at 10:58 p. m. (CST) from a height of 500 to 1,000 feet, during a snow flurry, witnesses said.

First Since 1934

It was Delta's first accident in scheduled operations since 1934. Last year the airlines received a special citation from the National Safety Council.

"Something went wrong" and the huge craft caught fire when only a few feet above the runway, Delta's district traffic manager said. There was no further explanation.

Among the identified dead were two Chicago brothers on their way to the bedside of their father, near death in Miami beach, Fla. The two were Harold Levy, 47, prominent criminal lawyer, and Ralph Raymond Levy, 41, an insurance broker.

The plane had a capacity of 44 passengers. At least two persons who had reservations for the flight, No. 705 with stops at Cincinnati, Ohio, and Jacksonville, Fla., canceled their shortly before it took off.

It burned fiercely for more than an hour. Some of the bodies pulled out by firemen were burned or

Garssons Indicted
For Contract Fraud
In Government Deal

Baltimore, March 11. (P)—A federal grand jury today indicted Henry N. and Murray W. Garsson, operators of a war-time Illinois munitions combine, on charges of filing false financial statements in connection with their government contracts.

A three count indictment against the Erie Basin Metal Products company, Allen G. Gelman, its president, Joseph T. Weiss, Harry S. Glick, and the Garsson brothers, was returned after a two-month investigation into their munitions dealings.

A justice department announcement said charges against the individuals, all from Chicago, are that "criminal offenses were committed against the United States involving false statements and an overall conspiracy to defraud in contract renegotiation and related matters."

Marooned Horse
Fed By Airplane

Pecatonica, Ill., March 11 (P)—An airplane is keeping a horse from dying of starvation.

The horse has been trapped on a piece of land surrounded by the swollen Pecatonica river for about a week. Leroy Berkebile, an employee of the Pecatonica airport, has been flying over the spot, dropping bundles of corn and hay.

CONTINUE FIGHT AGAINST CANCER

U. P. Cancer Societies
End Two-Day Meeting
In Escanaba

Representatives of Cancer Societies in Upper Peninsula counties this afternoon concluded a two-day training school in Escanaba, and returned to their communities prepared to carry out more intensive campaigns against cancer this year and in the years to come.

George A. Webber of Jackson, Michigan, Division campaign chairman, declared that the volunteer workers in 80 of Michigan's 83 counties are conducting a campaign to save lives. As the educational drive against cancer continues the public will willingly support the fight to control cancer, and eventually find a cure through research.

"We will attempt to get the cancer message into every home, urge people to learn the truth about the malady and its danger signals—then ask them to do something about it," Webber said. "Once they know the story, people will realize that to join the fight is the only way they can protect themselves and their friends."

Facts About Cancer
Last year under Webber's leadership, Michigan communities raised a total of \$265,615.00, or 15 per cent over its quota set by the American Cancer Society. The Michigan quota this year is \$222,025 and the national goal is \$16,042,000.

"If we can tell enough people the facts about cancer and get them to do something about it we can reduce today's death rate from this disease by 50 per cent," Webber said. "With the medical knowledge we now have, over 90,000 persons could be saved each year. Think of it—nearly four times as many people as there are in this whole county of Delta."

Leaders of the Michigan Division of the American Cancer Society who are in Escanaba for the meeting include Mrs. Harold H. Cornelius, Grand Rapids, state commander; Mrs. John L. Wierengo, Grand Rapids, regional director; Joseph Matel, Muskegon, field representative; and Mrs. August Pevoglio, Iron Mountain, district chairman.

Objective of the county Cancer Societies is to arouse people to the danger of cancer and the need to seek medical aid at the earliest sign of danger; finance a basic nation-wide program of cancer research; and build up an organization to carry on a large-scale attack against the disease.

Dr. Gereon Fredrickson, director of the Dickinson-Iron county health department, described the necessity for control work in cancer. In 1910, he said, tuberculosis was the first cause of death and cancer was eighth. Today cancer is second, and tuber-

Red Cross Offers First Aid Course; Begins March 29

A course in first aid, to train potential instructors for Delta County, will be offered by the Delta County Chapter of American Red Cross.

Classes will begin March 29 and will continue for five consecutive nights. There is no charge and the course is open to anyone interested in first aid work. Classes will be taught by a Red Cross instructor from Detroit.

Upon completion of the course those receiving certificates will be eligible to train others in the county. George Grenholm is director of the project.

Enrollments are now being taken by the Red Cross in Escanaba.

TB Chest X-Rays For Wells Friday

All persons over 12 years of age, in Wells, will have their chests x-rayed by the Michigan Department of Health mobile unit, Friday from 10 a. m. to 5 p. m.

Mrs. John Pearson, Mrs. William Casey and Mrs. Nels Dishno will assist.

To date 4,247 Delta county persons have had their chests x-rayed for early symptoms of tuberculosis. The disease is most prevalent in the age group 35-50 and x-ray is the only method of detecting it soon enough to arrest the development or cure the patient.

The x-rays are provided free by the department of health. This week the unit began x-raying in Flat Rock on Monday, and then was in Rock for two days and is operating in Perkins today. Through Wednesday 465 Rock persons were x-rayed.

culosis has been relegated to seventh place.

"Cancer can probably be handled like tuberculosis," he said. "In other words, a program following similar lines can probably be worked out to achieve similar results—at least we have that hope."

The Delta county Cancer Society, organized last year, was host to the cancer training conference. Mrs. A. M. Gilbert is commander of the Delta unit, and Henry Boyle of Bark River is president. John Anthony of Escanaba is the 1948 campaign chairman.

The meetings included a dinner program last night in the marine room at the House of Ludington, where talks were presented by Mr. Webber, Don Pearce, campaign chairman of the Marquette unit, Richard Morenus of radio station WDBC, and Clint Dunathan of the Escanaba Daily Press.

Pearce spoke on ways to achieve a successful campaign, and Morenus and Dunathan advised on radio and newspaper publicity.

Briefly Told

On Honor Roll—The name of Arleen Walsted was omitted from the recently published Escanaba senior high school honor roll. Her grades were AAB.

Kiwanis Club—"New Horizons in Welding," a movie depicting the Harnischfeger plant in Milwaukee, will be shown at the meeting of the Kiwanis club at the Sherman hotel Monday noon. Baxter Mitchell will be in charge of the program.

Stolen Bike—A black bicycle, 1948 license number 80, was stolen Wednesday from the junior high school, local police have reported. The bicycle was owned by Carl Johnson, 1500 Lake Shore Drive.

Fire Calls—The local fire department answered three fire calls Wednesday. The first was a roof fire at 1634 Ludington street at 9:10 a. m. The firemen were called to the Rose Aldrich residence, 1812 Second avenue north Wednesday night where a furnace had backfired, filling the home with smoke. At 9:15 p. m. the firemen were called to the rear of 915 Ludington street. Fire in an outside burner scorched the paint on a car parked nearby.

Heart Attack Fatal To John J. Brown

John J. Brown, 59, of 413 Ludington street, died Wednesday afternoon at 3 p. m., in St. Francis hospital. He had been a patient there for the past few days following a heart attack.

He was an employee of the Chicago and Northwestern railway system and worked several years as section hand. He has no known relatives.

The body was taken to Allo Funeral home where it will lie in state Friday night. Funeral services will be conducted Saturday at 2 p. m. from the funeral home chapel with Rev. James Ward officiating. Burial will be made in Spaulding cemetery.

Bathing is forbidden among many of the inhabitants of Tibet.

LORRICE LEDUC IS CHAMPION

Sophomore Winner Of All-School Spelling Contest

Correctly spelling the word "synonymous," Lorrice LeDuc, sophomore finalist, won the Escanaba high school spelling championship yesterday, in the last round of the all-school contest sponsored by the National Honor Society.

Jackie Palmateer represented the junior class in the finals, and Clarice Goertzen, the seniors.

In the elimination contests held in the 24 English classes of the school, the winners were:
Sophomores—Marilyn Anderson, Lucy Baum, Jerome Besson, Beverly Feldstein, Barbara Klassell, Lorrice LeDuc, Carol Leiper, Fred McFadden.

Juniors—Irish Beach, John Beaumier, Don Christenson, Bonita Cool, Paul Dufresne, Lily Ann Grenier, Jackie Palmateer, Jackie Pepin.

Seniors—Joan Besson, Beverly Brisbane, Clarice Goertzen, Ed LaCrosse, Marion Lindquist, Tom McDermott, Kathryn Perrin, Bill Perron.

James Moran, president of the National Honor society, was master of ceremonies at yesterday's finals, held during assembly hour, and Miss Bernadette Brennan, of the English department, pronounced the words.

Words used in the elimination contests and in the final championship contest were taken from lists of most commonly misspelled words which were issued to all English students the early part of the year.

Stephenson And Daggett School Boards to Meet

A joint meeting of the Daggett and the Stephenson boards of education will be held Thursday evening, March 13 at 8:00 o'clock in the Daggett school office.

The boards will discuss the feasibility of establishing a junior high school at Daggett for the 7th and 8th grades of the Stephenson and Daggett schools.

Legion Men Attend Detroit Meeting

Five representatives of the Escanaba American Legion post will attend the Spring meeting of Michigan Legion officials being held in Detroit Saturday and Sunday.

Included in the local group are: C. Elmer Olson, 11th district commander; Ralph Olsen, Upper Peninsula service officer; Elmer A. St. Martin, chef de train of the Upper Peninsula 40 and 8; Roy Baldwin, 11th and 12th district committeeman for the Sons of the Legion; and Tom Beaton, leading candidate for the nomination of state commander.

Words used in the elimination contests and in the final championship contest were taken from lists of most commonly misspelled words which were issued to all English students the early part of the year.

EXTENDED AREA PLAN APPROVED

Council Okehs Proposal Of Bell Telephone Company

The City of Escanaba has no objections to the Michigan Bell company's proposed "non-optional extended area plan," the council decided in a special meeting Wednesday afternoon. The action reverses the council's previous stand on the proposal.

The council was advised that the extended area plan would not affect the rates that the telephone company would charge for Escanaba subscribers. The company, however, is seeking a rate increase based upon increased operating costs and the council reaffirmed its objection to this proposed rate boost.

The extended area plan would permit Escanaba subscribers to call Gladstone, Rapid River and nearby points without toll charges. This proposal has no bearing, as far as Escanaba customers are concerned, on the company's petition for increased telephone rates, the council was advised. The council withdrew its objection to the plan with that understanding.

Individual Must Help In Fight To Control Cancer

The control of cancer, No. 2 killer in the United States can be controlled only through the initiative and cooperation of the individual, said Dr. Fred E. Mohs, assistant professor of surgery at the University of Wisconsin hospital, Madison, in a talk at William Bonifas auditorium yesterday afternoon.

Dr. Mohs spoke in Escanaba under auspices of the Delta county Cancer Society and the cancer committee of the Delta-Schoolcraft Medical Society. His subject at the public meeting, attended by more than 75 persons, was "Present Concepts for the Outlook of Cancer."

The individual should learn the symptoms of cancer and how they originate, and present himself to his doctor when any of the symptoms are manifested, Dr. Mohs said. He also stressed the importance of consulting with your doctor on the importance of periodic examinations for the detection of cancer before any of the symptoms become evident to the individual.

Slides were screened by Dr. Mohs illustrating cancer cases, so that the individual would better understand and be more thoroughly impressed with the importance of taking the initiative in cancer control. The slides pictured cancers of the skin, and internal cancers showing the mass of tissue and how the symptoms of cancer become manifest.

Immediate reporting to the doctor when the individual notices any cancer symptoms was stressed by Dr. Mohs. This should be done without delay, and without waiting to consult "back fence" advisors, or try home remedies.

The tendency is toward periodic examinations for cancer, with the examinations given by the doctor in his office, Dr. Mohs said. Every doctor is qualified and equipped to make such examinations, he pointed out. There is also a tendency away from the periodic holding of cancer detection clinics. They are helpful, but there is duplication and the individual should be more impressed with the necessity to consult his own doctor periodically or when cancer symptoms are present.

Dr. Mohs urged public support of the American Cancer Society. It is doing good work, and its educational campaign, carried on for a period of years, is showing beneficial results. Except for education, people who otherwise might not go are now consulting their doctor as soon as a cancer symptom appears. The Society's service program is also improving facilities for cancer diagnosis and treatment.

Research is also being supported

DR. FRED E. MOHS

by the American Cancer Society and, from the long range point of view, there will be a cure found eventually. This is long enough away, however, that the individual cannot now neglect availing himself of the help that medical science can give. Early reporting, periodic examination, and individual initiative could probably cut the cancer death rate in half, Dr. Mohs believes.

Last night Dr. Mohs talked to doctors of the Delta-Schoolcraft Medical Society, and to doctors from other Upper Peninsula counties, at a meeting in St. Francis hospital. The meeting was arranged by Dr. W. A. Lemire, chairman of the cancer committee, and invitations to Upper Peninsula doctors were issued by G. W. Benson, president of the Medical Society.

Dr. Mohs presented a paper with slides on "Chemo-Surgery in the Treatment of Cancer", and scientific moving pictures on "Cancer of the Cervix" and "Cancer of the Skin."

Milwaukee Woman Not Self-Conscious

Milwaukee, (U.P.)—There's a young Milwaukee woman who likes to keep her dresses looking neat. She got on a downtown bus carrying a dress on a hanger. She hung the garment from the high hand rail, took a clothes brush from her purse, and brushed the dress during the trip downtown.

Obituary

PETER PEIFFER

Funeral services for Peter Peiffer, of San Francisco, member of a well known Escanaba family, were held at 9 o'clock Thursday morning at St. Joseph's church. Father Alphonse, O. F. M., officiating the mass. Burial was in Holy Cross cemetery.

The music of the requiem was sung by St. Joseph's choir. At the Offertory, Miss Clarice Gleich sang "Domine Jesu Christe" and at the close of the service, Mrs. Eldridge Baker sang "Jesu Salvator Mundi."

Pallbearers were Joseph Nolden, Joseph Stern, Michael Walch, Frank Rubens, John P. Greis and Charles Mason.

Those from out-of-town at the rites were Mrs. Lillian P. Clark;

San Francisco; Mrs. Anna Nettell, Chicago; Mrs. Mary Hutto, New York City; Mrs. John Schoening and Mrs. Albert Pate, Milwaukee; Mr. and Mrs. N. J. Crebassa and Mrs. Robert Soli, L'Anse; Mrs. Victor Lough, Iron Mountain.

Mr. Peiffer, a son of the late Mr. and Mrs. Nicholas Peiffer, was born in Escanaba, May 3, 1885. He left here 30 years ago for San Francisco, and had been in business there for 30 years. He leaves four sisters: Mrs. Mary Hutto, New York City; Mrs. Katherine Crebassa, L'Anse; Mrs. Anna Nettell, Chicago; and Mrs. Lillian P. Clark, San Francisco.

Other out-of-town persons attending the services were Mr. and Mrs. Gordon Hutto and son, Thomas, of Brampton, and Edward Burnelle, Clete Courier and Carl Hillman, of Gladstone.

Escanaba Awarded Michigan Cemetery Association Meeting

Escanaba was awarded the annual Michigan Cemetery association meeting at the recent convention of cemetery associations of eight states held in Toledo, Ohio, it was announced here this morning.

The Michigan session will be held in June. Miss Myrtle Waldron, manager of Gardens of Rest cemetery and A. D. LaBranche, representative of Holy Cross cemetery, represented Escanaba at the Ohio meeting.

State associations of Pennsylvania, Maryland, Kentucky, Indiana, West Virginia, Michigan, Illinois and Ohio attended the meeting.

The surface of the Dead Sea is 1,292 feet below sea level.

Future Car Engine May Be Pepped Up By Alcoholic Kick

BY ALTON L. BLAKESLEE
Associated Press Science Reporter

Onha, G.—Putting an alcoholic kick into auto engines may bring a day of:

High-power performance on low-grade gasoline.

Trucks and autos climbing hills in high instead of creeping up in low.

Economical driving on the flat, with a ready surge of power when needed.

Part of your power coming from corn cobs, or grains.

These possibilities from use of alcohol as liquid fuel were described today by Dr. G. E. Hilbert, director of the Northern Regional Research Laboratory, U. S. Department of Agriculture, at Peoria, Ill., to the National Farm Chemurgic Council Conference. There are some "ifs and buts."

A gallon of alcohol can be blended with nine gallons of low-grade gasoline to make 10 gallons of premium anti-knock fuel, he said. The blends wouldn't require any changes in engine design or readjustment.

Something different, for the extra burst of power, are gadgets already available which can inject mixtures of alcohol and water. This was done with airplanes during the war. The alcohol injections would take trucks uphill in high.

Such power is needed only occasionally. The rest of the time engines could operate on cheaper, lower octane gasoline. This would save oil reserves, for it takes more crude oil to produce high-octane gasoline.

The biggest "if" is the present high price of alcohol. Dr. Hilbert said. Even if corn cost a dollar a bushel, alcohol would cost 50 cents a gallon under present recovery practices. But this may not mean so much within a few years.

"Regardless of this price difference, there are many instances where the use of alcohol-water injection with low-grade gasoline will be cheaper and give better operation than premium grade gasoline."

Present petroleum reserves apparently are enough for many years. And plants are being built to make synthetic fuels from coal and natural gas. If future demands outstrip this supply, or send costs up, alcohol from farm products may enter the picture, Dr. Hilbert said.

Two types of farm products offer possibilities for liquid fuels. One is starchy crops, like grains. The other is agricultural residues,

like corn cobs, sugarcane bagasse, and straws.

Methods of making alcohol from grains are well known and efficient in many ways, and alcohol itself will probably depend more on grain costs than technical improvements, he continued. Still, production costs may be reduced. The Peoria laboratory developed an enzyme, from a fungus, which can substitute for malt in fermenting grain. This one substitute would make Ethyl alcohol from grain cheaper by three cents a gallon.

The same laboratory also is studying the cost and yields of making alcohol from corn cobs and other residues. Answers may be available in another year. The problem isn't making alcohol from the cobs, but doing it economically. One of the biggest costs is collecting the cobs.

Women Still Live Longer Than Men

New York (U)—American males are living longer than they used to but they still aren't doing as well as the women, the Metropolitan Life Insurance Company says.

In 1900, the average white male infant had 40 chances in 100 of reaching age 65. Now, the company reports, his chances are 60 in 100.

In 1900, however, the average white female infant had 45 chances in 100 reaching the same goal. Now her chances are 75 in 100.

Kipling

P. T. A. Meeting Held

Kipling, Mich. — The regular meeting of the Kipling Parent Teacher Association was held in the School Dining room Monday evening at 7:45.

Plans for the April 8th meeting were made. This meeting will be held in Brampton at the Community hall.

Mrs. Paul Beauchamp was selected to serve as chairman of the lunch committee.

The Public Party for March will be held at the Community hall in Brampton on March 16th. Clyde Benson will be in charge of the games and Mrs. C. Benson chairman of the lunch committee. The public is invited to attend.

Following the business meeting Miss Asikainen, County School Nurse, spoke briefly on the Mobile X-ray Unit which will be in Gladstone on the afternoon of March 23, and all day on the 24th and 25th to accommodate parents and school children from Kipling and Brampton areas. The hours will be from 9 to 12 a. m. and 1 to 4 p. m.

Hagle Quarstrom, County Superintendent showed three movies "Target T. B.", "This Is T. B.", and "Eating Out", which clearly emphasized the importance of the X-ray Service sponsored by the State Department of Health.

The meeting was well attended.

Ensign

Birthday Party
Ensign, Mich.—Bert Johnston was guest of honor at a surprise birthday party held Saturday evening at the home of Mr. and Mrs. Richard Lundquist. Cards formed the evening's entertainment, after which a delicious lunch was served, complete with birthday cake. Mr. and Mrs. Andrew Olson and Mr. and Mrs. Earl Kaiser and son, Fred, were among those attending.

Home Economics Meeting
The Ensign Home Economics

Extension Group met Tuesday evening at the Stone Anderson school, with about 25 women in attendance. The lesson for the evening was "handmade rugs," with Mrs. Roland Bouchard and Mrs. David Constantino, leaders. Mrs. Steve Johnson was chairman of the lunch committee that served refreshments after the meeting. Leaders chosen for the next lesson on "lamp shades" were Mrs. Andrew Olson and Mrs. Earl Kaiser.

P. T. A. Meeting
The next P. T. A. meeting will be held at the Stone Anderson school Thursday evening, March

13. After the business meeting, Mrs. A. M. Gilbert and H. Quaristrom of Escanaba will show films sponsored by the American Cancer Society.

Personals

Tony Mauhar is a surgical patient at the St. Francis hospital at Escanaba.

Mr. and Mrs. Andrew Olson visited with Mr. and Mrs. Allan Erickson at Gladstone Sunday.

Mrs. David Constantino was hostess to members of the Service Guild of the Calvary Lutheran church Wednesday evening.

Mrs. Sandy Gustafson is a medical patient at the St. Francis hospital in Escanaba this week.

Mrs. Earl Kaiser attended meetings of the cancer societies held in Escanaba this week.

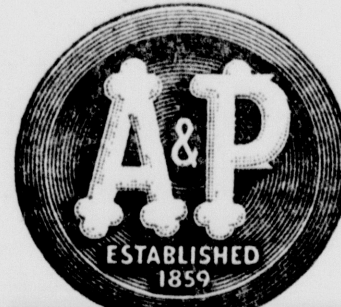

Isabella

Engagement Announced

Mr. and Mrs. Edward Blimke of Rockport, Michigan, announce the engagement of their daughter, Dolores, to Kenneth R. Johnson, son of Mr. and Mrs. Ronald Johnson, of Alpena, Mich. The wedding will take place in late summer. Kenneth is the grandson of Mrs. Jarvis Johnson, of Isabella.

South American Fur Animal Is Naturalized Here

Washington — Nutria, the big South American rodent that yields one of the most prized of furs, has become established as a wild animal in this country. There appear to be thriving colonies in the coastal marshes of Louisiana and Texas, as well as in the state of Washington, states Frank G. Ashbrook, U. S. Fish and Wildlife Service biologist. Wild specimens have also been reported from other states, but it is not certain that they represent permanent populations there.

The animals are descendants of nutria brought to this country during a fur-farming boom two or three decades ago. Some escaped, others were turned loose by their owners when they found the venture did not pay. Since their habits are more or less similar to those of muskrats, they took readily to life in the marshes. Trappers are now turning in a moderate number of pelts.

The nutria looks like a giant muskrat, weighing up to 25 pounds; trappers encountering their first specimens have reported them as "a cross between muskrat and beaver." They have powerful chisel-like front teeth, strikingly orange-red in color.

Shells are less likely to break if eggs are at room temperature rather than cold when put to cook in hot water.

Nahma

Church Services
Nahma, Mich. — St. Andrews Catholic church, Rev. Jerome Larsen, pastor.
March 14—Masses at 6:30 and 10:30. Isabella—8:30.
St. Paul's Episcopal—Rev. Herbert Wilson, vicar.
March 15—Church school at 6:45. Services at 7:30.
Birthday Party
Mrs. Antone Deloria was pleasantly surprised at her home last Friday evening when a group of relatives and friends called on her birthday anniversary. The evening was spent playing cards with Mrs. Frank Sefcik holding first high in 500 and Mrs. Fred Olm-

British Loyalty Postpones Trips

London (AP) — Official court sources say all plans for future royal tours of the British commonwealth have been shelved for the time being because of the nation's economic troubles.

The success of the South African trip early last year prompted suggestions that the royal family visit Australia and New Zealand in 1948. A Buckingham palace spokesman said it was decided to wait for a more favorable time.

Earlier Princess Elizabeth announced that she and Prince Philip planned no travels abroad this year.

sted second high. Mrs. Howard Johnson won the traveling award and Mrs. Ira Bannister drew the door prize. Lunch was served after the cards after which Mrs. Deloria was presented with lovely gifts. In charge of the party were Mrs. Vital Hebert, Mrs. Adrian Hebert and Mrs. Reginald Hebert.

Those attending were: Mesdames Fred Olmsted, Ed. Douville, Henry La Vigne, William Rauls, Martha Ward, Frank Sefcik, Victor Thibault, Clarence Menary, Ed Johnson, William Mercier, John Turek, Frank Hruska, Ira Bannister, Grover Weberg, Henry Hebert, Lloyd Camps, Vital Hebert, Adrian Hebert and Reginald Hebert of Nahma, Mrs. Jerry Jerou of Escanaba and Mrs. Howard Johnson of Engadine.

Personals
Mr. and Mrs. Francis Douville of Marquette spent the week end at the Schwartz and Douville homes.

Miss Wilma LeBrasseur, student at NMCE at Marquette, spent the weekend at her parental home.

Mrs. Richard Bjorkman and daughter, Jeanne and Ralph Ek-

strom of Manistique returned from a brief visit with Mrs. Bjorkman's sister, Mrs. Carl Anderson in Milwaukee.

Mr. and Mrs. Merton Reno of Manistique visited with Mr. and Mrs. Dave Farley on Sunday evening.

Mr. and Mrs. Herman Bramer visited in Manistique on Sunday with Mr. and Mrs. Norman Rivers.

Mrs. Howard Johnson of Engadine visited with relatives here last week.

Misses Doris Moore and Carol Berg of Escanaba spent the week end with their parents.

Weekend guests at the Matt Mc-

Donald home were Mr. and Mrs. Bernard O'Donnell of Escanaba and Mr. and Mrs. Robert McDonald of Brimley.

Mr. and Mrs. Lawrence Harding of Manistique visited last Tuesday with the Herb and Frank Blowers families.

Mrs. Edmund Mercier, daughter Corrine and sons, Elmer and Emerald of Garden spent Sunday with Mr. and Mrs. Frank Blowers.

Mrs. Homer Beauchamp spent the weekend at Dr. Sullivan's cabin north of Nahma Junction.

Rev. Jerome Larsen was released from the St. Francis hospital on Friday where he had been a medical patient.

Mrs. Lloyd Camps, Mrs. Herb Blowers, Francis Sefcik and Beatrice Turek have volunteered to work when the Mobile X-ray Unit is at the Nahma hotel on March 15.

From where I sit ... by Joe Marsh

Ben's Bride Gets Chickenhearted

Ben Ryder was mighty proud of his young bride when she offered to care for his new flock of baby chicks. "Just like a mother with her brood," he boasts.

Then came market time for fryers—and the crisis! Sue simply wouldn't let Ben near her chickens with an axe. She'd raised them as babes ... she'd named them ... they were her very own!

Ben poured himself a glass of beer, to think things over sensibly. He hated to lose the price on fryers ... but he figured Sue had put up

with his peculiarities, he guessed he could put up with her fondness for the chickens.

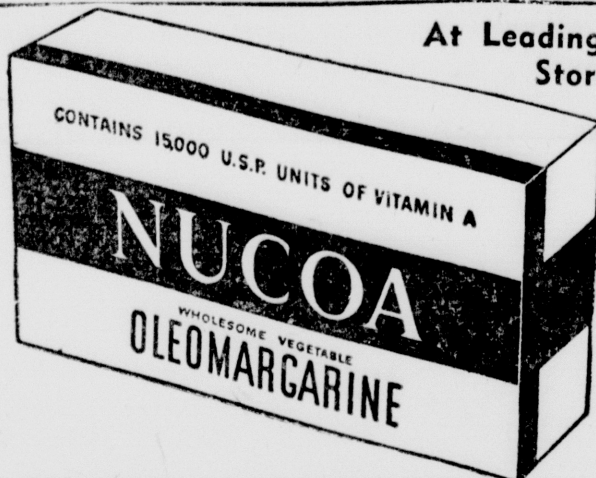

So now Ben has the nicest brood of laying hens in town, and from where I sit, one of the most successful marriages, too. All because he "lived-and-let-live"—literally. And whenever he wants fried chicken, he takes his bride over to Andy's Garden Tavern for a crisp wing and a glass of beer.

Bark River - Harris Honor Roll Issued

The following students of the Bark River-Harris school district have been listed on the honor roll for the first period of the second semester.

Seniors—June Constantineau, Julianne Erickson, Doreen Good, Jack Grenfell, Mildred Polishak, Jean Schoen.

Juniors—George Bartosz, Elaine Borden, Jerianne Charbonneau, Delores Dill, Barbara Kleiman, Theresa Noblet, Bradley Savage.

Sophomores—Patrick Bergman, Howard Erickson, Delbert Herbeck, Joanne Iverson, Flora Nelson.

The honor roll for Bark River junior high school follows:

Grade 7—Harold Charbonneau, Evelyn Erickson, Nancy Flynn, Dorothy Hanchek, Betty Harris, Shirley Rose Kane, Luane Krause, Joyce Potvin, Gaynell McInnis, Shirley Tousignant, Donald Viaw, Joanne Vincent, Ronald Vincent, Robert Wery.

Perfect Attendance—Roy Anderson, Robert Bolm, Harold Charbonneau, Shirley Derouin, Nancy Flynn, Edmond Gardere, Dorothy Hanchek, Betty Harris, Anne Mae Kane, Shirley Rose Kane, David Kwarciany, Violet LaFave, Betty Lessard, Florence Loch, Gaynell Melnis, Joyce Potvin, Shirley Tousignant.

Grade 8—Patsy DesJardin, Janet Good, John Good, Robert Grzyb, Donald Hansen, John Erickson, Martha Kwarciany, John Levesque, Danny Madalinski, Donna Michel, Eleanor Moraski, Marian Pach, John Patrick, Mike Sape, Allan Schoen, Charles Shepard, Patsy Swift, William Vincent, Robert Wickstrom.

Perfect Attendance—Arlene Bugay, Donna Michel, Marian Pach, Allan Schoen, Patsy Swift.

Sunnyside Honor Roll

Kindergarten, Perfect Attendance—Leota Bolm, Robert Ponegalek, Rodney Ponegalek.

Grade 1—Joan Bergman, Sharon Bergstrom, Joe Grzybowski, Beverly Peltier, Mary Lue Quist, Sharyn Sundquist.

Grade 2—Danny Anderson, Sandra Anderson, James Bugay, Lottie Dugas, Natalie Frenn, Janice Heim, Terry Kasbohm, Judy Kuel, Joanne Knaf, Deanne LaVigne, Clement Madalinski, Jo-

ann Urbanc.

Grade 3—Connie Anderson, Joanne Barr, Antonette Bugay, Barry Dahlberg, Edward Heim, Ernest Krause, Harold Porath, Judy Simmons, Tommy Swift, Dennis Urbanc, Betty Johnson.

Perfect Attendance—Barry Dahlberg, Danny Dugas, Ronald Heim, Gerald Peltier, Harold Porath, James Bugay, Lottie Dugas, George Grzyb, Terry Kasbohm, Deanne LaVigne, Clement Madalinski.

Schaffer Honor Roll

Grade 6—Nancy Bugay, Eleanor Derocher, Robert W. Johnson, Joann Kleiman, Joann LaFleur, Lois Jean Martin, Donald McInnis, Donna Racicot, Judith Schermer, Marilyn Simmons, Yvonne Tousignant.

Perfect Attendance—Eleanor Derocher, Joseph Frossard, Valerian Madalinski, Lois Jean Martin, Donald McInnis, Kenneth Olson, John Pearson, Donna Racicot, George Ratter, Judith Schermer, Marilyn Simmons.

Grade 5—Catherine Bergman, Evelyn Bergstrom, Barbara Bugay, Louise Gauthier, Lenore Grzyb, Lois Hennessey, Barbara LaFleur, Marlene Piontek, Joseph Schermer, Bernice Taylor, Joyce Taylor.

Perfect Attendance—Catherine Bergman, Margaret Gardner, Louise Gauthier, Lenore Grzyb, Duane Kleiman, Barbara LaFleur, Harold Martin, Roy Nelson, Joann Pearson, Marlene Piontek, Stanley Pongalek, Marilyn Savage, Joseph Schermer, Marilyn Taylor, Joyce Taylor.

Grade 4—Belle Anderson, Janet Anderson, Violet Bolm, George Bruce, Peter Derocher, Carole

Ekmeke, Helen Frossard, John Kashinski, Yvonne Lantagne, Nancy LaBeau, Carl Witte.

Perfect Attendance—Janet Anderson, Violet Bolm, John Cavadeas, Yvonne Lantagne, Robert Madalinski, Mary Alice Taylor, Carl Witte.

Grade 3—Robert Butryn, Emmy Derocher, Dolores Martin, Barbara Meyers Joann Richer, Nancy Savage, Carol Ann Schermer, Elaine Tousignant, Jeanette Vandenberg, Frances Zawada.

Perfect Attendance—Charles Lavigne, Barbara Meyers, Joann Richer, Carol Schermer, Elaine Tousignant.

Grade 2—Eugenia Derocher, James LaMarch.

Perfect Attendance—Eugenia Derocher.

Grade 1—Evelyn Derocher, Harold Gardner Betty LaFleur, Marilyn McInnis.

Perfect Attendance—Francis Auger, Evelyn Derocher, Joseph Potvin, Lorraine Schermer.

Kindergarten, Perfect Attendance—Rose Mary Lavigne, Karen Tousignant.

Perronville Honor Roll

Grade 1—Joanne Charbonneau, Violet Winkowski.

Perfect Attendance—Joanne Charbonneau, Violet Winkowski.

Grade 2—Jack Kasbohm, Teddy Kwak.

Perfect Attendance—Anthony Weinkowski.

Grade 3—Anthony Charbonneau.

Grade 4—Terry Deloughory, Richard Kisby.

Grade 5—Katherine Deloughory.

Perfect Attendance—Anthony Charbonneau, Karen Treffer.

Gloria Wencoski, Roy Chaulk, lin, Lowell Potvin, Ronald Perrette.

Grade 6—Harry Bartosz, Florian Bartoszek, Leslie Borman, Rita Getzloff, Bill Good, Joanne Good, Sylvester Moksezyke, Gretchen Naser, Evelyn Ouradnik, Richard Shepherd, Michael Slaga, Doris Vandermissen, Bevely Vincent, Amelia Wencowski, Walter Wojcik.

Perfect Attendance—Leslie Borman, Rita Getzloff, Bill Good, Joanne Good, Rose Nault, Evelyn Ouradnik, Michael Slaga, Beverly Vincent.

Wilson Honor Roll

Kindergarten, Perfect Attendance—Billy Lewis, Lester Otdovec.

Grade 1—David Vandermissen, Shirley Lewis, Joseph Roschik, Alice Kleiman, Patsy Peltier, George Klee.

Perfect Attendance—Shirley Lewis.

Grade 2—Betty Deragon, Arthur Good, Lorraine Kleiman, Janet Lesnisk, Anita Motto.

Grade 3—Gordon Gatten, Jane Klekamp, Marilyn Kleiman, Marlin Lewis, Helen Palarski.

Now Many Wear FALSE TEETH With More Comfort

FASTTEETH, a pleasant alkaline (non-acid) powder, holds false teeth more firmly. To eat and talk in more comfort, just sprinkle a little FASTTEETH on your plates. No gummy, gooey, pasty taste or feeling. Checks "dental odor" (denture breath). Get FASTTEETH at any drug store.

Helen Roschik, Mable Sagataw, James Vandermissen.

Grade 4—Connie Flynn, Joanne Smith.

Grade 5—Lois Good, Joyce Vandermissen.

Perfect Attendance, Grades 4 and 5—David Chernick, Lenore Gatten, John Getzloff, Lois Good, Teddy Machia, Lora Pirlot, Wal-len Godlewski, Delores Herbeck, Janet Pirlot.

St. Nicholas

Henry VerBrigge, Victor DeGrand, Jule Gaudette, Henry LaChapelle, Constant Vermote and Jule Dupuyot attended the K. of C. meeting held Tuesday, March 2, at Escanaba.

Apoplexy Recovery Aided by Injection

Chicago.—An "emergency treatment" can now speed recovery from apoplexy, or stroke as it is popularly called. It is reported by Drs. N. C. Gilbert and Geza de Takats of St. Luke's hospital here in the forthcoming issue of the Journal of the American Medical Association. The new method may lessen permanent brain damage.

The treatment consists in the injection of a local anesthetic, procaine hydrochloride, into a mass of nerve cells near the vertebral base of the neck. Improvement should come within 10 minutes. The patient should recover consciousness, be able to speak or to speak more clearly, move arms and legs and flaccid,

or limp, paralysis should be abolished. While some patients improve anyway during the first few hours

after a stroke of apoplexy, they do not do this within the first few minutes, the physicians point out.

Yours! NOW

This handy 1 quart aluminum sauce pan with the purchase of a 50 lb. bag of

BIG JO FLOUR

WE KNOW YOU'LL GET THE BEST BAKING RESULTS WITH BIG JO FLOUR—THAT'S WHY WE MAKE THIS OFFER

Go to your grocer now and accept from him this wonderful, heavy-gauge aluminum sauce pan at no extra cost when you buy a 50-lb. sack of Big Jo Enriched Flour.

We're making you this generous offer because we want you to try Big Jo Flour. We know that once you try this wonderful, enriched Big Jo, you'll never want to use any other flour for all your cooking and baking.

Doctor's Wife Will Solo Sunday
With Cloverland Symphony Group

The initial appearance of the Cloverland Symphony orchestra in William W. Oliver Memorial auditorium Sunday, March 14, will be marked by a piano solo, "Warsaw Concerto," by Mrs. J. R. Davidson, of Crystal Falls.

MRS. J. R. DAVIDSON

Memphis Girl
Is the Bride Of
William Schmidt

Opal Rhea Materna, daughter of Mr. and Mrs. Henry C. Materna, 1115 Decatur street, Memphis, Tenn., and William G. Schmidt, of Escanaba, a son of Mr. and Mrs. Charles E. Schmidt, of 810 Sheridan Road, were married by Rev. L. R. Lund in a 4:30 o'clock ceremony Tuesday, at Immanuel Lutheran church.

Attendees were Lois Schmidt and Robert G. Schmidt, sister and brother of the bridegroom. The bride wore a gold gabardine suit with brown accessories and a corsage of white carnations and carnations. Miss Schmidt wore a brown tuxedo suit with matching accessories and a corsage of roses, sweetpeas and carnations. A reception for 25 guests was held at Sibi Biskina Niba Lodge at Northland.

The couple, after a wedding trip to an unannounced destination, will live in Gladstone at 1221 Superior avenue. The bride, who attended Memphis State Teachers' college, has been employed by Fisher Body in St. Louis, Mo. Mr. Schmidt is with the M. A. Hanna Steamship company.

Guests at the wedding included Mrs. P. L. Farrell, Superior, Wis.; William R. Smith of St. Joseph, Mich.; and Russell Sillers, Northland.

Personal News

Edward M. Reynolds left this morning for Chicago where he will spend the weekend attending a sales conference.

Mrs. William Breitenbach, 1407 Stephenson avenue, left this morning for Los Angeles, Calif., where she will visit for several weeks.

Phillip Stein, 700 South 14th street, has left for Sacramento, Calif., where he will visit a month with his son and daughter-in-law, Mr. and Mrs. A. L. Stein.

Births

M/Sgt. and Mrs. Jack Winling of Traverse City are the parents of a daughter, Julie Anne, weighing seven pounds and two ounces, born Sunday, March 7. The baby is the second child in the family.

Sgt. and Mrs. Winling have one son, Freddie. Mrs. Winling is the former Irene Scarr of Madison, Wis. Sgt. Winling, who is a son of Mr. and Mrs. Leonard Winling, Escanaba, Route One, is recruiting commander at Traverse City.

Church Events

Bark River Choir
The choir of the Bark River Methodist church will meet for practice at 8 p. m. Friday.

Try a For Rent Ad today.

(Sun Surf)
RAIN OR SHINE — Here's a beach wrap that doubles as a rain cape.

Tackle twill treated for water-repellency makes this double-duty fashion which has a striped tuxedo front that matches the two-piece print bathing suit worn underneath.

Leukemia Victim's
Life Is Prolonged

Chicago, (SS.) — Treatment with radioactive phosphorus alone or with X-rays has given extra years of useful, comfortable life to patients with chronic leukemia, Dr. John H. Lawrence, R. Lowry Dobson, B. V. A. Los-Ber and Bruce R. Brown of the University of California report in the forthcoming issue of the Journal of the American Medical Association here.

The average length of life in their patients is now 3.7 years, during most of which normal activities can be carried on. Hope of extending life still further for these chronic leukemia patients is held by the scientists. For the past six years they have been testing other radioactive chemicals in the search for better weapons against leukemia.

Social - Club

Evening Star Society
The Evening Star society will hold a regular meeting Friday, beginning at 7:30 o'clock, at the North Star hall. A grocery party, for which each member is asked to provide an item, will be held after the meeting. The public is invited.

Rebekah Meeting
Phoebe Rebekah lodge will meet Friday at 8 p. m., at the Odd Fellows hall. A social will follow the business meeting. Hostesses are Mmes. Lydia Nygaard, Minnie Harwood, Freda Aronson, Anna Haberle and Rose Anderson and Miss Agnes Nelson.

Honored at Shower
Mrs. Henry Gustafson of Perkins was honored at a pink and blue shower held Monday evening at the home of Mrs. Theodore Saxe, 1412 North 19th street. Guests at the party were Mrs. Leonard Peterson, Mrs. Walter Pinar, Mrs. John Collins, Mrs. Laura Hoes, Mrs. William Fisher, Mrs. Michael Kuchendorf, Mrs. Frank Kobasic, Mrs. Elmer St.

Social Situations

SITUATION: Two women are lunching together, but they expect to go "Dutch treat."
WRONG WAY: Let the waiter or waitress make out one check, and then the women can figure out how much each one owes after they get to the cashier's desk.
RIGHT WAY: Ask for separate checks in the beginning, to avoid confusion.

SITUATION: You are a newcomer to a group and want them to like and accept you.
WRONG WAY: Try to impress them, so that they will think you are worth knowing.
RIGHT WAY: Make an effort to be pleasant and interesting, but don't try to be impressive.

Peter, Miss Ruby Kolich, Miss Mildred Kolich and Mrs. Daniel Lisocki, of Milwaukee. Refreshments were served by the hostesses, Mrs. Saxe and Miss Laura Hoes. Mrs. Gustafson was presented with a beautiful gift.

Today's Recipes

Mrs. William Kjellander of Gladstone writes in to tell us that she omitted one item, "three medium onions, cut fine," from her recipe for pasties. She also sends the department her recipe for delicious Swedish meat balls.

Swedish Meat Balls
One pound round steak, ground fine.
One-half pound pork steak, ground fine.
One-half cup crackers or toast, ground.
Three-fourths cup rich milk or thin cream.
Two egg yolks, beaten slightly.
One medium onion, minced fine.
Salt and pepper to season well.
Dash of allspice may be added if flavor is liked.
Heat onions slightly to reduce strong flavor. Soak crumbs in milk or cream until soft. Add egg yolks, onion, salt and pepper. Add this to meat and mix well. Shape into balls any size desired. Brown in butter or oil. When done, add small amount of water to pan, cover and let simmer one-half hour or until well done.

COCKROACH TRAP
Sydney (A)—People in Queensland have found a use for newly emptied beer bottles. They leave a bottle out overnight in which a few dregs have been left. In the morning the bottle is jammed with the bodies of cockroaches who have gone on a fatal drinking jag.

U. S. motion picture theater receipts increased about 23 per cent between 1940 and 1942.

your forehead.
Keep your chin up! People tuse this advice frequently without thinking about it, but the next time you are in the doldrums, give it the literal test. You will find your chin does droop when you are unhappy. Lift it up, and you will notice your spirits rise immediately. It's a strange thing, but it is almost impossible to think of anything unpleasant when your chin is lifted.

Bishop Page Will Confirm Class At Munising Sunday

Munising—The Rt. Rev. Herman R. Page, Bishop of the Episcopal diocese of Northern Michigan will administer confirmation at St. John's (Episcopal) church Sunday.

Bishop Page will confirm the class at St. John's during the morning service at 11, the Rev. F. J. Drew, rector, announced today. The celebrant will also preach the sermon at the ceremony.

SACRED HEART P. T. A.
Munising—Dr. A. A. Mellon, Mrs. Mellon and children Patricia and David presented an interesting program to the Sacred Heart PTA Monday evening.

Mrs. Mellon read a poem "A Heap of Living" by Edgar A. Guest; David sang two songs, "When Irish Eyes Are Smiling" and "The Old Lamp Lighter"; Patricia played two piano numbers, "The Bells of St. Mary's" and "Edwidge's Glide"; and Dr. Mellon talked and showed colored movies about the trip to the "Yellowstone Park taken last summer by the Mellon family.

The program was a family project carried out as their contribution to the P. T. A. program. It depicted clearly the interesting features of a family trip and a family project carried out by the members of the family group working as a unit.

K. of C. Sponsors Special Service

Munising—A Day of Recollection, sponsored by Munising Knights of Columbus, will be held for all men of Sacred Heart parish, Sunday, April 4. Rev. Joseph Dunleavy, chancellor of the Marquette diocese, will be in charge of the day's program. Reception of Holy Communion will be followed by a series of conferences, and meditation and prayer during the day, closing with Solemn Benediction.

Monotony Relieved By Use of Colors

New York, (SS)—A method of selecting colors which will relieve blocks of prefabricated houses from the customary appearance of monotonous similarity was presented here by Dr. Isay A. Balinkin, University of Cincinnati, to the Inter-Society Color Council.

A Ft. Wayne community, where houses under his scheme have been painted with colors practically covering the spectrum range, has a pleasingly harmonious effect because of proper color planning. The scheme followed is what Dr. Balinkin called color coordination.

There is no all-embracing and universal accepted definition of what constitutes color harmony unless we say it is a selection of colors pleasing to the eye, he declared. The basis for his selection lies in specifying three color numbers or attributes: hue, lightness, and saturation, just as three numbers are used to specify a point in space.

TEXAS WORRIES ABOUT CATTLE

Hoof And Mouth Disease Seen As Serious Menace

By ROBERT C. RUARK

Kingsville, Tex.,—Bob Kleberg, the he-coon of the King ranch is the biggest cattle grower in the world, I guess. He administers nearly a million acres, and pretty close to 100 thousand cattle roam his ranges. Kleberg sent more than 20,000 steers to the slaughter pens last year, which is a heck of a lot of hamburger.

Lean, leathery Kleberg is running a high race at the moment, a fever he hopes to communicate to the American people. He gets crying sick every time he thinks of the hoof-and-mouth disease which is loose in Mexico at the moment, and what it could do to his herds, and to the other huge herds in the southwest, if it manages to sneak across the border.

\$35,000,000 Already Spent
He wants to make a political issue out of the failure of the American government to effectively hammer, if not eradicate the hoof-and-mouth disease which, if loosed in America, could make a rum steak more precious than a pearl necklace by virtue of shortage.

Kleberg is fond of saying that two-thirds of all our meat is grown west of the Mississippi, and two-thirds of that meat is consumed East of the river.

"We have a blank check from Congress to stop this thing," Kleberg says. "We have spent 35 million dollars already and the disease has spread over half of Mexico. The administration had everything it wanted, but what with the buck - passing between the State Department and Department of Agriculture, we have gotten nowhere in eighteen months. Either it's been done wrong, or it can't be done, and I'm not willing to say it can't be done. We need a new doctor, and the only way to get one is to throw it into politics. If that disease gets across the river it will cost us billions of dollars."

This is, of course, a harpoon at

Agriculture Secretary Clint Anderson, whom Kleberg holds responsible for the breakdown of the slaughter program in Mexico, for abandonment of the only tested method of wiping out foot-and-mouth, and for the present program, which is a future-book operation. I say future-book, because it involves the building of an 800-mile fence, and the development of more potent vaccines. This would not eradicate the disease. It might merely halt it at a certain spot, leaving a perpetual menace for future outbreaks.

As I was saying earlier, the political implications of the handling of foot-and-mouth are tremendous. There exists, for the first time in many a year, a serious threat to the American meat market. Bread may be the staff of life, but what the average gringo likes to see cuddled up by the fried potatoes is a great big slab of steak.

The Texas Plan
For that reason, Kleberg and Claude McCan, of the Welder-McCan ranch, claim that there is no answer to Mexico's cattle problem save complete and final eradication.

"Even if it takes 10 years," Kleberg says, "even if it costs us billions right now, it would be worth it."

To that end he and his advisors have come up with a scheme, called "The Texas plan." The Texas plan demands a roll-back program. Kleberg would establish a quarantine line north of the section of infection and exposure. He'd then vaccinate all animals north of that line, for instance 10 to 20 miles.

Kleberg then wants the U. S. government to purchase all susceptible critters south of the quarantine, and to kill them as rapidly as possible. When an area has been free of infected animals for 60 days, it could then be restocked by animals bought by Uncle Sam—animals which would be vaccinated and tagged. The U. S. would provide vaccine only

for use on clean animals from the northward areas, and prohibit its use in attempts to salvage any infected cattle in the southern zones.

This, among other things, might spike a growing desire among Mexican cattlemen to the north, where the disease has not yet taken hold, to willfully infect their beasts so as to break down the U. S. aversion to hoof-and-mouth and thereby clear their cattle for market. At the moment, everything above the quarantine line is held in escrow.

As I was saying earlier, the political implications of the handling of foot-and-mouth are tremendous. There exists, for the first time in many a year, a serious threat to the American meat market. Bread may be the staff of life, but what the average gringo likes to see cuddled up by the fried potatoes is a great big slab of steak.

Australia Irks English Typists

Canberra, Australia, (P)—Some of the 30 English girls who have come to Canberra as typists in government departments may not stay long, because they say Canberra is dull, lacks personality, its people "live in a world of their own."

British builders brought here to work on government projects had similar complaints about Canberra's lack of social life.

The typists are not bound to stay in their government jobs, and many say they will leave when they have saved enough money.

Vets In TB San Would Appreciate Home Made Candy

Chicago, March 11 (P)—Former servicemen and students in four cities have announced formation of organizations "Against Mac Arthur"—opposing the possible presidential candidacy of Gen. Douglas Mac Arthur.

In Chicago, Paul Berger, 24, spokesman for the "Veterans Against Mac Arthur" club, said if the move gains enough impetus, "a national non-political club will be founded. The five-star general announced in Tokyo Monday that he is available for nomination for the presidency."

Berger said 500 signatures had been obtained in Chicago on petitions opposing the supreme allied commander in Japan as a possible presidential candidate. He said members had urged friends in several other cities to circulate similar petitions. Cities included St. Louis, Denver, Boston, Pittsburgh and Dallas, Tex., Berger said.

Out Our Way By Williams

Blondie By Chick Young

Red Ryder By Fred Harman

In Boston, a "Veterans Against Mac Arthur" group was organized last night by several ex-GI students at Harvard, Boston University and Massachusetts Institute of Technology. A committee of three from the schools adopted a slogan of "give him a medal but not the White House."

The Chicago club, Berger said, opposes Mac Arthur's candidacy for these reasons: "Mac Arthur's general aloofness from the American public; his use of violence when troops under his command dispersed the veterans bonus march in 1932; the censorship of the press in Mac Arthur's command in Japan, indicating anti-democratic leanings, and, the inadvisability of having any military man—and especially General Mac Arthur—in the White House."

FIRE DESTROYS QUINLAN HOME

Newly Furnished Home Is Practically A Total Loss

An overheated stove pipe is blamed for the fire which almost completely destroyed the home of Earl Quinlan, 221 North Front street Wednesday morning.

The fire had made such headway when discovered by neighbors that the interior of the building was a roaring furnace when the fire department arrived and the contents of the four room cottage are a total loss. The building and contents are partially covered by insurance.

Quinlan, who has been living alone for the past several weeks since Mrs. Quinlan left for Texas to be with a sister who is ill, left the house shortly before eight o'clock in the morning.

It happened after that can only be guessed but it is believed that the fire started near where the kitchen range stove pipe enters the chimney.

The Quinlans purchased the property last fall and most of the furnishings were newly purchased.

Bring Oldest Bible To Church Services

Have you a real old Bible in your home?

The Rev. William Schobert, pastor of the First Baptist church is curious on that point and, with a view of stimulating interest in his Sunday evening services is offering a prize to the one who brings the oldest Bible to next Sunday evening's services.

The services begin at 7:30.

Relief At Last For Your Cough

Creomulsion relieves promptly because it goes right to the seat of the trouble to help loosen and expel germ laden phlegm, and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. Tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough or you are to have your money back.

CREOMULSION
for Coughs, Chest Colds, Bronchitis

Girl Scout Leaders Entertained Monday By Mrs. W. Sheahan

Mrs. William Sheahan entertained the Girl Scout Leaders at her home on Monday evening. There were sixteen leaders present.

Miss Winnifred Orr, program chairman on the local council, discussed plans for the indoor rally to be held Saturday afternoon, March 13, at the Lincoln school from 2:00 to 4:00 o'clock.

Mrs. Sheahan, finance chairman of the Girl Scout Council, completed plans for the city-wide Girl Scout Cookie sale which will be held this week.

The leaders also made plans for a rummage sale to be held Friday, March 26 at the Ford Garage. The proceeds of this sale will be used to purchase uniforms for the scout leaders. Mrs. Sidney Bower was made chairman of the sale.

Lunch and a social hour followed the business meeting.

Veterans In Four Cities Form Clubs Against MacArthur

The Rehabilitation Committee of the local American Legion Auxiliary is making an appeal on behalf of 19 veterans of World War I who are patients in the T. B. Sanatorium at Battle Creek.

They would like to have some home made candy for Easter. They are getting the best of care, but such luxuries as home made fudge, penochie or divinity are rarely found in an institution so that's the wish of these men.

The local Auxiliary is taking steps to attend to this very understandable wish. Anyone wishing to donate to this very worthy cause is asked to bring this donation to the Legion oCttage on Thursday, March 18 where it will be packed for mailing.

Norman Oliver Files For Place On City Council

Norman Oliver, 806 Garden avenue, contractor and builder, is the third Manistique resident to file for a position on the city council.

His petition with more than the required number of signatures was presented at the office of the city clerk Wednesday morning and he was duly recorded as a candidate.

This is Oliver's first venture into politics.

City Briefs

Miss Genevieve Hupfer of Dearborn, visited here recently at the home of her brother-in-law and sister, Mr. and Mrs. Earl H. LeBrasseur, Range street.

Receipts of U. S. motion picture theaters more than doubled from 1923 to 1929.

Girl Scout Council Maps Final Plans For Anniversary

A regular meeting of the Manistique Girl Scout Council was held Tuesday afternoon at the high school with the commissioner, Mrs. Earl H. LeBrasseur, presiding.

Final plans and preparations for the observance of the Girl Scout thirty-sixth birthday, March 12, were completed and announced by the program chairman, Miss Winnifred Orr.

The leaders representative, Mrs. Robert Schmeling, announced the Leader's Rummage Sale to be held March 26, at the Ford Garage and the proceeds of which will be used to purchase uniforms for the Girl Scout leaders.

It was also voted to turn over to the various participating troops all the profits from the city-wide Girl Scout Cookie sale on a percentage basis but stipulated that this money must be used for some worthy scout activity.

Mrs. Gordon Hughes, camp chairman of the council, extended an invitation to the leaders association to meet at her home, April 5.

Rialto Bldg.Homemakers Receive
Instruction In
Lamp Shade Making

The Thompson Homemaker's Club met Tuesday evening, March 9, at the home of Mrs. Don Arrowood, 805 Arbutus avenue.

The project leaders, Mrs. Clarence Whitman and Mrs. Rueben Peterson presented a lesson on making lampshades, using one of the new plastic, washable materials. Instruction was given on the principles of good lighting in the home and school, which stressed the importance of correct lighting for special needs, such as the reading, sewing, or music centers. It is not artificial light that causes eye strain, plague of so many school children and adults, but the improper use, and insufficient quantities of the light provided.

Members present were Mrs. John Olson, Mrs. Ole Edwardsen, Mrs. Rueben Peterson, Mrs. Robert Foye, Mrs. Percy Tuftnell, Mrs. William Maxwell, Mrs. Clarence Whitman, Mrs. Gerard Deloria, Mrs. Don Arrowood, and Mrs. Richard Popour.

Mrs. Dean Deloria and Mrs. Peter Kasbolm, sisters of Mrs. Arrowood, were guests at this meeting. A delicious lunch was served by the hostess.

Ammonia Favored
By Soil Bacteria

Madison, Wis. (AP)—A breath of ammonia in the air is nectar to the bacteria that put nitrogen into the soil for plant roots. . . . These same bugs like to drink ammonia and eat it too. . . . They prefer ammonia to nitrogen. . . . within one minute after ammonia fumes reach them or ammonia is put in the soil, they switch from a nitrogen to an ammonia diet.

These new findings about the nitrogen-fixing germs are part of a study in Wisconsin by Robert A. Burris, associate professor of biochemistry, and Perry W. Wilson, professor of agricultural bacteriology. The study is made by using a rare form of nitrogen to trace the ammonia.

Truck Runs Into
M&S Freight Train

Manistique, Mich.—A Chevrolet panel truck from Iron Mountain ran into the side of a M. & L. S. railway freight train at the Chippewa street crossing here at 10 o'clock Wednesday night.

Eriminio Ramagoli, Milwaukee avenue, Iron Mountain, suffered cuts about the head and was taken to the Shaw hospital. His companion, Joseph Angere, 213 Stanton avenue, Iron Mountain, was uninjured.

At out \$500 damage was done to the truck.

Briefly Told

Bake Sale—The afternoon group of the W. S. C. S. of the Methodist church will hold a bake sale on March 19 in the Reese and Swenson store.

Bake Sale—A bake sale, sponsored by the Mission Circle of the Bethel Baptist church will be held Saturday at 1 p. m. in the Co-op store. Donations must be in early.

Scientists believe the Arctic ice cap is still retreating northward as it has been for 20,000 years or more.

Schoolcraft Lay
Health Association
Elects Officers

At a recent dinner meeting, of the Schoolcraft County Lay Health Association, held at the Paul Bunyan Cook Camp, officers were elected for the ensuing year and plans for the current Easter Seal campaign discussed.

The old officers were re-elected, namely Mrs. Carl Anderson, president; Mrs. T. H. Reque, vice president; Mrs. Dallas Creeger, secretary-treasurer.

Two township units have also been organized, Hahawatha, with Mrs. Arthur Graham, chairman; and Thompson, with Mrs. Cecil Johnson, president. Other townships will reorganize in a few days.

Cooking Oil Is
Shortening For
New Chiffon Cake

A new orange chiffon cake combining the best qualities of the butter cakes and the angel or sponge cakes, the two basic cake types now realized, has been announced by the home economists of a food processing concern.

Salad or cooking oil, an ingredient never commonly used in cake baking, is used as shortening.

These features are listed by the baking experts as typical of the cake's unique characteristics:

The cake is as light and delicate as the finest angel food plus a greater degree of tenderness.

It is a streamlined cake, quick and easy to make. Total mixing time is about 10 minutes compared with 25 minutes for angel food cake.

It takes only seven eggs compared with 13 for angel food recipes, yet gives a larger cake. It can be made in a variety of pan sizes and shapes.

No frosting is required although the cake lends itself to a wide variety of frostings, fillings and toppings.

Recipes and Preparation

It has outstanding keeping qualities. Acake stored for one week in the company's test kitchen was still moist.

Here's the recipe for the cake. These are the ingredients necessary to make an eight- or nine-inch square cake, yielding 8 to 10 servings.

Preparation includes heating the oven to 350 degrees and sitting an ample amount. Measure one and one-eighth cups (one cup plus two tablespoons) cake flour, three-fourths cup sugar, one and one-half teaspoons double action baking powder and one-half teaspoon salt and sift together into mixing bowl. Make a well and add in order, one-fourth cup cooking (salad) oil, two unbeaten egg yolks (medium sized), grated rind of one orange (one tablespoon), juice of one orange plus water to make three-eighths cup (one-fourth cup plus two tablespoons). Beat with spoon until smooth.

Step No. 2 follows this procedure. Measure into large mixing bowl one-half cup egg whites (four whites) and one-fourth teaspoon cream of tartar. Whip until whites form very stiff peaks. They should be much stiffer than for angel food or meringue. Do not under beat.

Final Step In Method

The final step includes the following method. Pour egg yolk mixture gradually over whipped egg whites—gently folding with rubber scraper just until blended. Do not stir. Pour into greased pan immediately. Use eight by eight by two pan. Bake 30 minutes in moderate oven 350 degrees. This recipe may also be baked in a nine inch tube pan three and one-half inches deep. Bake this 50 minutes at 325 degrees. This cake may be iced or served with whipped cream and berries, ice cream or your favorite dessert sauce.

Young Girl Needs
Training in Tact

BY ALICIA HART
NEA Staff Writer

A girl is never too young to begin developing tact.

Tact, in the sense of social dealings with people, is a peculiar and highly developed ability to handle situations with finesse and sensitivity.

Many unfortunate adults don't have tact. So, it is not surprising to find youngsters who blurt out the wrong remarks when they meet people, who laugh at the wrong time, who show no knack of putting other persons at their ease.

Yet this ability to handle social situations gracefully can be developed. The younger you are when you start, the more skillful you will be in dealing with people when you grow up.

A tactful girl never "notices" any person's social shortcomings. Examples are bad grammar, shocking table manners and numerous other derelictions which a tactful girl pretends that she doesn't see.

Instead of "seeing" such things, she uses her alert mind and quick speech to keep other people in the group from noticing.

Here's a classic example of tact which is worth pondering over by any girl who wants to make the most of her ability to put other people at their ease. A hostess who anticipated her dinner guest's embarrassment when he knocked over his glass of water, upset her own glass. This created such a merry to-do at the table that her guest was able to derive fun from the incident.

Night vision can be improved 100 per cent for most people by a brief course of scientific training.

ARCHIE COWEN
IS CANDIDATETwo Now In Race For
Lone City Commission
Position

Archie Cowen, 1002 Wisconsin avenue, yesterday filed his nominating petition for city commissioner with City Clerk H. J. Henriksen.

He is the second to announce his candidacy. A. W. Rohde, filing about a week ago.

One commissioner will be elected for a three-year term, the term of Mayor Albert Buckman expiring. Mayor Buckman will not seek reelection.

Cowen is employed by the Soo Line railroad as a car inspector. He is a veteran of World War I and is a member of August Mattson Post, American Legion, and Delta County Voture, Forty and Eight society.

He is married and has resided in Gladstone since 1922.

Next Tuesday, March 16, is the final date for filing of nomination petitions and also for registration of voters.

City Commission
Purchases Truck

Purchase of a new two-ton truck from H. J. Norton was authorized by the city commission in regular session this week. Norton's bid was \$2566.60. An allowance of \$375 was offered for the old 1936 dump truck of the city making a net cost to the city of \$2191.60.

This price was \$300 lower than that submitted by the Elmer Beaudry garage, City Manager H. J. Henriksen reported. The Du Roy Auto Service also submitted a bid but on a 3-ton truck instead of the desired 2-ton, and this was considerably higher than the other two bids.

The commission approved the transfer of a Class C liquor license from Kamel VerHamme to Mary Esler and Eugene VerHamme.

Election boards were named to serve at the April election. They are the same as served in the general election last fall. Payment is set at \$8 for chairmen and \$7 for clerks.

Mr. and Mrs. Louis Burear appeared at the meeting to request a hotel class license but no action was taken.

Covenant Church to
Have Men's Social

A men's social is to be held in the Mission Covenant church Friday evening at 8 o'clock. Dr. Albert Lundberg of Iron Mountain is to be the speaker. Lunch will be served at the close.

The program:

Song, Audience

Scripture Reading and Prayer, Rev. C. V. S. Engstrom

Vocal Selection, Male Quartette

Ollie Nelson, O. H. Anderson, Walter Olson, Albert Vietzke

Marimba Solo, Rev. Roy Johnson

Vocal Solo, Albert Vietzke

Address, Rev. Albert Lundberg

Marimba Solo, Rev. Roy Johnson

Vocal Selection, Male Quartette

Announcements and Benediction.

City Briefs

Mr. and Mrs. Grier Ivory and Dr. and Mrs. George Kelly returned Sunday from a three weeks vacation visit in Florida.

Mrs. Elmer Dahm, sr., returned to her home in Brampton, Mich., on Tuesday night after spending the past several months in California.

Trooper and Mrs. Arnie W. Maki, 1208 Michigan avenue, are the parents of a baby daughter born on Tuesday evening at St. Francis hospital. This is the second child in the family and the second daughter.

Miss Jo Kinkella left Tuesday night for Tracy, Minn., where she will visit with friends.

**QUICK RELIEF FROM
Symptoms of Distress Arising from
STOMACH ULCERS
DUE TO EXCESS ACID**

Free Book Tells of Home Treatment that
Must Help or It Will Cost You Nothing

Over three million bottles of the WILLARD TROOPERS have been sold for relief of symptoms of distress arising from Stomach and Duodenal Ulcers due to Excess Acid—Poor Digestion, Sour Stomach, Gasiness, Heartburn, Sleeplessness, etc., due to Excess Acid. Sold on 15 days' trial! Ask for "Willard's Message" which fully explains the treatment—free—at Gladstone: IVORY DRUG STORE.

BACKACHE,
LEG PAINS MAY
BE DANGER SIGN
Of Tired Kidneys

When disorder of kidney function permits poisonous matter to remain in your blood, it may cause nagging backache, rheumatic pains, leg pains, loss of pep and energy, getting up nights, swelling, puffiness under the eyes, headaches and dizziness. Frequent or scanty passages with smarting and burning sometimes shows there is something wrong with your kidneys or bladder.

Don't wait! Ask your druggist for Doan's Pills, a stimulant diuretic, used successfully by millions for over 50 years. Doan's gives happy relief and will help the 15 miles of kidney tubes flush out poisonous waste from your blood. Get Doan's Pills.

Sports Show Tonight
At High School Gym

A Sports Show is being held this evening at the high school gymnasium under the auspices of the Minnawasca Sportsmen's club. Displays of sporting equipment

Briefly Told

Novena Service—Novena services in honor of the Sorrowful Mother are to be held in All Saints' Catholic church Friday night at 7:15 o'clock.

B. of L. E.—A meeting of the B. of L. E. will be held at 7:30 o'clock tonight at the Eagles hall.

Trinity Guild—A regular meeting of the Trinity Episcopal Guild will be held at 2:30 o'clock on Friday afternoon at the home of Mrs. E. A. Lawin, 1325 Michigan avenue.

Evening Guild—A meeting of the Evening Service Guild of the Memorial Methodist church will be held tonight in the church parlors. Hostesses are Mrs. George Wilbee and Miss Helen Bier.

Mrs. Robert Ebbesen left this morning for Chicago where she will visit over the weekend with her mother and brother.

Union Evangelistic
Campaign Is Opened

A union Evangelistic campaign being sponsored by the First Baptist and Bethel Free churches opened Tuesday evening at the Baptist church with a large audience in attendance. Dr. Morris Peterson, Detroit, spoke on "A Backslider at Heart" and there were selections by a Girl's Trio from the Mission Covenant church of Escanaba and a vocal solo "This Jesus" by Mrs. Roy Johnson.

Patricia's Party

Mrs. John Holm, 605 Montana avenue, entertained Tuesday in honor of her little granddaughter, Patricia Ann Potvin, daughter of Mr. and Mrs. Harvey J. Potvin, 516 Minneapolis avenue, who was three years old on Tuesday.

Games were played during the afternoon after which a tasty birthday luncheon was served. An attractively decorated birthday cake centered the table. Favors marked each of the places. Patricia received many gifts as mementoes of the occasion.

Present at the party were Linda Lamberg, Judy and Tommy Standing, Nancy and Elmer Holm, Audrey Beveridge, Christine and Katherine O'Leary and Bonny Lou Cole.

Study Club

Mrs. O. S. Hult will be hostess to the members of the Study Club on Wednesday afternoon at her home, 1204 Lake Shore drive. A review of the book, "From the Top of the Stairs" by Gretchen Finletter, is to be given by Mrs.

To Feel Well..
Look Well..Act Well..you must have
proper bowel elimination

If you feel out of sorts, nervous, and suffer from headaches, gas, bloating, upset stomach, bad breath, lack of appetite, loss of sleep—remember it may all be due to constipation. To relieve the trouble, take Dr. KURIKO. Dr. KURIKO has proved to be the ideal medicine. Use as directed. Gentle and smoothly it laxative and stomachic—eliminates clogging waste matter, helps expedite constipation's gas, gives the stomach that comforting feeling of warmth. KURIKO'S amazing effectiveness is due to a scientific formula which combines 19 (not just one or two) of Nature's potent laxative herbs, roots and botanicals—a secret formula perfected over a period of 75 years. Yes, for prompt, pleasant, proven relief for constipation's misery—take KURIKO today from any variety agency, such as:

City Drug Store; West End Drugs; A. J. Wahl Drugs; Gladstone—Ivory Drugs.

In Memoriam

In loving memory of our son Michael Alan, who passed away one year ago today, March 11, 1947.

He is gone but not forgotten, And as dawns another year, In our hearts only memory lingers.

Ever loved and held most dear.

Sadly missed by his parents,

Mr. and Mrs. Louis Bizeau, Jr., and family.

Earl Closs Home
Damaged By Fire

Fire, believed to have started from short circuited wiring, caused a fire at the Earl Closs home at Third and Wisconsin avenue yesterday afternoon.

In addition to the fire damage there was some loss from water damage. The loss was covered by insurance.

Try a For Rent Ad today.

E. C. Olson.

Bridge Club

Mrs. J. F. Richardson was hostess to the members of her bridge club on Tuesday evening at her home, 1118 Dakota avenue. Mrs. Tom Bolger had high honors and Mrs. J. F. Richardson, second.

WOMEN
who feel
NERVOUS
caused by functional "middle-age"
Do you suffer from hot flashes, weak, nervous, irritable, clammy feelings—due to the functional "middle-age" period peculiar to women (35-52 yrs.)? Then try Lydia E. Pinkham's Vegetable Compound to relieve such symptoms! It also has what Doctors call a stomachic tonic effect!

LYDIA E. PINKHAM'S VEGETABLE COMPOUND

Hardwares Set Scoring Record In 105-51 Win Over Niagara's Badgers To Capture NWM Title

ESCANABA DAILY PRESS

S P O R T S

"It Seems To Me"

BY JIM WARD

An explanation of how Michigan (that includes the Upper Peninsula, you know) high schools are classified appears to be in order.

Although we thought the method of classification on the basis of number of students enrolled was quite generally understood, it is apparent that many persons attending the district high school tournament in Escanaba last week could not figure out why Stephenson is in Class B while Gladstone is in Class C.

Classifications throughout the state vary from year to year depending entirely upon increases or decreases in number of enrollees, but most schools have remained in the same class since the system was put into effect.

Stephenson was elevated to Class B from Class C for the first time this school year because its enrollment as of the beginning of school last fall exceeded the maximum permitted for a Class C school.

In a nutshell, here are the figures constituting the dividing line between the classes: Class B, 325 students or more; Class C, 125 to 324 students, inclusive; Class D, 75 to 124 students, inclusive, and Class E, less than 75 students.

Stephenson's enrollment figures last fall were in excess of 324. Therefore, it was elevated to Class B for the first time. Gladstone's enrollment, as it has for years, was less than 324. Therefore, it remains in Class C.

The classification, incidentally, holds true for all sports and other extra-curricular activities and competitions among schools. The theory, of course, is that schools should compete with schools of equal or nearly equal strength. They often go out of their class to find competition in their particular areas, but this type of dual competition is permissible. In official tournament play, however, each team must compete in its own class, and in the case of seeding a team, only its previous competition with teams of its own class is taken into consideration in determining the seeding.

It is possible for a three-year high school to record only the students in the sophomore, junior and senior classes, but there are no shenanigans involved here. Only those students may be used in extra-curricular competition. Escanaba, for instance, is a three-year school. Its enrollment is 650 students.

You may still be in doubt about Stephenson's status, because on the face of it, it would appear that Gladstone's enrollment is larger than Stephenson's because Gladstone is a larger community than Stephenson.

The answer to that is simply that Stephenson draws on a widespread farming area for most of its students. Hence, its enrollment is over the 324 mark and it must compete in Class B.

Red Wings Back On Top in NHL; Hawks Out of Cup Playoff

(By The Associated Press)

Detroit's Red Wings were back on top in the see-saw National Hockey League race today and New York's Rangers were close to clinching their first playoff berth in six years.

Both circumstances were brought about by Detroit's 7 to 2 triumph over the Chicago Blackhawks last night in Detroit.

The Red Wings moved two points ahead of idle Toronto and at the same time exploded the last mathematical chance Chicago had of qualifying for the Stanley Cup series.

The New York Rangers also lost last night—Boston taking them, 6 to 3, at Boston—but Chicago's setback assured them at least a tie for the playoff berth.

Montreal is now the only team that has a chance of moving level with the Rangers. The Canadiens can do it by winning their next five games while New York is dropping all of its remaining tilts.

The Rangers, in fact, have a chance of clinching the series spot without playing tonight. Toronto, which must win to go back into a tie with Detroit for the lead, plays Montreal. A Montreal loss or tie will put the Rangers in.

CHAMPIONS HONORED

New York, March 11 (AP)—America's winter Olympic champions were to be honored by the nation's largest city today before heading home to receive the acclaim of their neighbors. The two individual gold medal winners—skier—housewife Gretchen Frischer of Vancouver, Wash., and figure skater Dick Button of Englewood, N. J.—arrived from Europe yesterday aboard the Queen Elizabeth.

POPULAR CHICKENS

Barred rocks, New Hampshire, Rhode Island reds, white leg-horns, and white rocks are the five most popular breeds of chickens in the United States.

Beloit a Favorite In NAIB Cage Meet

Kansas City, March 11 (AP)—Rugged Beloit College and the surprising San Jose State Spartans became favorites, by the slightest margins, today as the National Intercollegiate basketball tournament moved into the quarterfinal play.

San Jose (Calif.) State, under-aided in pre-tournament publicity, upset the defending champion Marshall College, 74-72, in an overtime period last night that kept the 6,500 fans in an uproar. The Spartans are certain to have trouble tonight in quarterfinal play with Indiana State. The Terre Haute, Ind., team walloped Brigham Young University, 82-68, yesterday.

Beloit, a hard driving outfit from Wisconsin, bowled over Lawrence Tech of Detroit, 78-62. Beloit meets the University of Louisville tonight.

WATERFOWL PRESERVES

The U. S. Biological Survey has created two preserves for the protection of migratory waterfowl in the salt marshes of the Louisiana coastal area. They cover 159,300 acres.

YEARS TO BURN

Stratton wants a suntan, and almost all over, too. So the Miami Beach, Fla., lass dons a few square inches of terry cloth towel, making a practical—and eye-catching—sun suit.

It would be a gross understatement of the grossest variety to say the Delta Hardwares of Escanaba clinched the Northern Wisconsin Michigan Basketball league championship last night.

They not only clinched it, they wrapped it up in a big bundle, zipped it shut tight and delivered it on the doorstep of Manager Arnold "Dopey" Johnson to the accompaniment of a bugle clarion call.

To wit: They defeated the Niagaradgers of Wisconsin, 105 to 51 (105, that is), before a near-capacity crowd in the junior high gym, thereby setting a city scoring record and a probable Upper Peninsula scoring mark.

"Only" 27 For Bob

And it isn't quite what you may think Bob Ranguette, generally accepted as the best all-around player in the Upper Peninsula, didn't score 75 cent of the Hardwares points, or even 50 per cent. He settled for a modest 27 on 12 field goals and three charity tosses.

But, boy, what help he got! Ed Gauthier got 10 field goals, including five one-handed sidekick swishers in a row. Roy Johnson, the team's feeder, got 12 points. Bob Anderson plucked 18. Don Scott, a sub, collected 11 points. Tom Dufour got eight. And so it went, with everybody except Manager Johnson getting at least two baskets—and he didn't play. Gauthier scored the one hundredth point on a free throw to the great satisfaction of a howling crowd. There was no doubt about the outcome at this stage, naturally, so everyone and his brother in the place were yelling for "100 points!"

Explosion In Third

Escanaba led, 42-20, at half-time. The explosion came in the third period—35 points—and there were reverberations in the fourth period, also—29 counters.

The preliminary game, by contrast, was a nip-and-tuck doozy. The Independents nipped the Liberty Clowns, 36-25. Ray Roberts hit 18 to lead the Indexes. Gordon Schils was high for the Clowns with nine.

The Hardwares will close against Stambaugh tonight, strictly an anti-climax. All players are asked to meet at the Denver hotel at 5:30 this afternoon.

Bengals Bang Out 29 Hits in First Two Exhibitions

Lakeland, Fla., March 11 (AP)—Hitting the weapon needed most in 1948 by the Detroit Tigers, is coming easy to regulars and rookies alike in early exhibition tests.

In their first two games, the Bengals have banged out 29 hits for 20 runs with almost everybody getting in on the fun.

Yesterday's 14 to 4 runaway at the expense of the Philadelphia Phillies at Clearwater saw the Tigers, with mostly rookies in the lineup, turn 15 hits and 11 walks into their first win of the year.

The day before they collected 14 hits while losing to the Yankees 8 to 6.

Pat Mullin was the big gun in the ton-heavy victory over the National Leaguers yesterday. He belted a double and two singles to put over five runs.

Rookies Ed Mierkiewicz and Johnny Groth took advantage of the generosity of the Philadelphia pitchers to get on base five times each in six times up. Freshman shortstop Neil Barry collected three hits and a walk.

Sports Mirror

Today a year ago—Manuel Ortiz regained the world's bantam-weight boxing title by taking close decision from Harold Dade in 15 rounds.

Three years ago—U. S. Coast Guard Academy won the Eastern Collegiate Boxing championship.

Five years ago—Spokane Athletic Round Table reported poll of servicemen and civilians showed 95 per cent in favor of continuing Major League baseball.

Ten years ago—Stanford won Pacific Coast Basketball Conference title from Oregon, with Hank Luisetti setting pace for third straight year.

DREAM COMES TRUE

Baton Rouge, La., March 11 (AP)—Gaynell Tinsley had his "life-long wish" today—he was head football coach at Louisiana State University, where he was an All-America end a dozen years ago. But along with the dream-come-true was the harsh reality of facing a murderous ten-game schedule with a squad depleted of many dependables.

DOUBLE KICK IN HIGH—Mario Cornejo really gets up in the air to execute a thiera, or double kick, in the second half as his Pan-

American soccer team shuts out the Sons of St. George, 3-0, in Los Angeles.

U. P. Prep Cage Meet Gets Underway Tonight

The final quest for Upper Peninsula high school basketball championships will begin in Ironwood and Bessemer tonight, where survivors of 16 district tournaments are convening with their title aspirations.

Cooks and Hermansville, Rapid River district D and E champions, respectively, will see action in the openers at 7 this evening.

Cooks has the giant-killing task of facing Mass City in the Class D opener at Ironwood. Mass City has won 43 straight, no less, and is a high-powered little outfit with serious designs on the state championship.

Hermansville is a Class E favorite. It will tangle with Alpha in Bessemer at 7.

Gladstone, Escanaba district Class C titlist, which beat the team (St. Joe) which eliminated the defending U. P. Class C champion (Norway) in district competition, will bump up against Rudyard at 8:45 tomorrow night in Bessemer, at which time Menominee will move into action against Lake Linden in Ironwood.

If Hermansville wins, it will meet the Rockland-Grand Marais winner for the title. If Gladstone wins, it will meet the Gwinn-On-tonagon winner. If Cooks gets by Mass City, it will meet the Vulcan-Negaunee St. Paul's winner, and Menominee's task, should it triumph over Lake Linden, will be to face the Ishpeming-Bessemer winner for the championship.

By Hugh Fullerton, Jr.
St. Petersburg, Fla., March 11 (AP)—When the announcer giving the Yankee lineups at Al Lang field yesterday said: "Center field, Cliff Mapes," a venerable fan stood up in the gulf... "where's Joe?" Then stomped out and got his money back... this writer can sympathize with the fan, for one thing he has picked up during a couple of weeks in Florida is a great admiration for Joe DiMaggio, not merely as a ball player but as a grand guy, personally... he's Joe DiMaggio always ready to sign an autograph or pose for a picture or give a quick answer to a fan's question, and he does it with a ready smile when a less obliging person probably would tell the fan to go jump in the gulf... maybe Joe feels that way, but he doesn't say it... incidentally, the reason he didn't play yesterday, except as a pinch hitter, is that his arm, operated on last fall, still stiffens up a little and he's taking it easy on throwing.

Strictly Business

Before yesterday's game some New York writers were ribbing DiMaggio about the ease at which he made off him during the 1947 World Series... "Did it make you mad to see that 'Glorio-frido got beamed'?" one asked... "that's a heck of a way to get even," Joe countered... "you know," interjected another, "that situation he should have been playing deep for a long time. He really was out of position..." "He was right. He made it right," Joe insisted... "You know," DiMaggio went on, "Gloriofrido caused me to make the best speech of my career last winter... we were at a dinner together and first Al gave them his version of the catch... when it came my turn, I just said I was very happy that Al made that catch, because that extended the series, gave the Yankees an extra big crowd and more money and then they could pay me a little more."

Only 1,589 See Jersey Joe Fight

Chicago, March 11 (AP)—Jersey Joe Walcott, who lost an unpopular decision to Joe Louis and who is to meet the heavyweight champion again June 23, won a timid four round boxing exhibition with Austin Johnson of Atlantic City, last night in the Coliseum.

The attendance was a disappointing 1,589 and net receipts were \$2,972, not enough to meet Walcott's \$4,000 guarantee.

There was very little action throughout the match and the customers booed steadily throughout the four rounds.

Hold Your Seats! New York Clowns Are On Their Way

Hold your seats! The New York Broadway Clowns are invading this section of the U. P. again.

They're slated to put on their act against the Rapid River Lumbarjacks in Rapid River at 8 Friday night and at 8:30 Saturday night in Manistique against the Manistique Merchants.

The Clowns are recognized as one of the best of the traveling, colored aggregations. Comedy is just part of their act. They play a mean brand of basketball along with it.

Take a look at this talent: Bill Booker, former North Carolina State college ace; Pete Wilson, captain of the 1945-46 Princeton university team; the first colored performer ever to win the honor: Joe Brown, star of Wilberforce university last season; Henry Blackburn, three-time all-South-eastern conference star of Xavier university, New Orleans, La., and Leon Wright, great scoring guard from Western State Teachers college of Macomb, Ill.

This array is coached by Al "Runt" Pullins, an all-time Harlem Globetrotter great.

Now that you've met them all, stop in either at Rapid River Friday or Manistique Saturday to see the boys in action.

National Tourney Opens in Garden

New York, March 11 (AP)—Four of the country's classic college basketball teams, together owning 93 victories against 12 defeats, square off tonight in the opening round of the choosy National Invitation Tournament.

This is the stellar lineup awaiting a sellout crowd of 18,000 at Madison Square Garden: Western Kentucky (26-1) vs. LaSalle of Philadelphia (19-3).

St. Louis (21-3) vs. Bowling Green, O. (27-5).

The sharpshooters get underway at 8 p. m. (EST).

The Hilltoppers of Western Kentucky, top-seeded on the strength of the nation's best college competitive record, and St. Louis, No. 4 in the rankings, are favored to win semifinal berths.

The second set of first round games in the fast eight-team elimination is scheduled for Saturday, like this: Texas (20-4) vs. New York U. (20-2), North Carolina State (22-2) vs. DePaul (21-6).

WON & LOST 47

Flint, Mich., March 11 (AP)—The Flint Dows wound up their home games in the National Basketball League by dropping a 71 to 59 verdict to Syracuse here last night. It was the 47th loss for the Flint team, which has won only eight games.

Nine Entries Received For Delta Dartball Meet At Junior High Tuesday

The first annual Delta county dartball tournament is assured of at least a full bracket of eight entries, and it is possible a bracket of 16 may be drawn before the darts start flying in the Escanaba junior high school gymnasium at 7 next Tuesday evening.

No sooner had the tournament announcement been made than entries started pouring in to George Grenholm, director of the city recreation department, sponsor of the event. This marks the first time an event of this kind has ever been held in the Upper Peninsula.

Entries in to date are all members of the Escanaba church and commercial dartball leagues namely Central Methodist, St. Stephen's, Bethany Lutheran, First Methodist, Immanuel Lutheran, Gladstone Lutheran Brotherhood, Firemen and two teams from the Escanaba Daily Press.

Another prospective entry is the Eagles club. Entries from elsewhere in the county also are expected.

Among the first entries received were 10 Manistique teams, but they were not admitted since the original plan was to conduct a Delta county meet. Immediately, however, arrangements were underway to conduct a special match with the Schoolcraft county dartball across a week or two after the Delta affair.

One suggestion was that the four semifinalists in the Delta county meet qualify for a special match against the four best Manistique or Schoolcraft county teams, to be selected arbitrarily or by competition in Schoolcraft county.

All arrangements have been completed for the Delta meet, Grenholm said yesterday. Matches will be best two out of three on a straight elimination basis. Teams will consist of seven members each. Any team with less than seven players must take an automatic out.

Church dartball boards are being rounded up by Grenholm for the tournament. Each team must provide its own darts.

The goal of every team entered will be a beautiful 12-inch trophy on which is mounted a gold-shafted dart. Donated by the city recreation department, this award will go to the tourney champion.

Big Nine Swimming Meet Opens Tonight

Iowa City, Ia., March 11 (AP)—The battle for the Western Conference swimming championship opens tonight in the University of Iowa's long course pool.

Michigan was rated a slight choice over Ohio State, the Big Nine champs for the last two years.

Informed that his Wolverines had been given the favorite's role, veteran coach Matt Mann reported:

"Yeah, if we can offset Ohio State's diving points with some swimming points."

The first group of the 122 contestants entered from the full list of Big Nine schools will launch the meet with 1,500 meter free style finals tonight.

William H. Golden, Early Day Resident Of Escanaba, Dead

William H. Golden, 72, of 200 West 38th St., Vancouver, Wash., a former resident of Escanaba, died March 4 at his home.

He is survived by one sister, Mrs. Charles S. Lane, the former Nellie Golden, who was a teacher in the Escanaba public schools for a number of years; one nephew, Thomas G. Golden, and one great nephew, Robert T. Golden, all of Vancouver.

Mr. Golden was born in Escanaba, July 2, 1875, and was graduated from St. Joseph high school with the class of 1892. The family lived at Ludington and Sixth streets, present site of the Escanaba Post Office and the Elks club. He moved to the west coast 34 years ago.

Funeral services were held at St. James church in Vancouver, Rev. John Egan officiating, and interment was in St. James Acres.

Elective Officials Will Convene At Stephenson April 5

A school of instruction for all elective officials in Menominee County will be held at the Stephenson high school on Monday, April 5 from 9:00 o'clock a. m. to 3:30 o'clock p. m.

The conference will be divided into three discussion groups: namely, township officers, village officers, and school officers. Special consultants will be present to assist each group with their problems.

The following consultants have been engaged to date: Claude Thayer, Bureau of Government, University of Michigan; John Aglaner, Municipal League, Ann Arbor; George Gilbert, Department of Public Instruction, Marquette; Charles Folio, Extension Service, University of Michigan. Several more consultants will be engaged later.

Czechs in Refugee Camp Complain of Cool U. S. Attitude

Schwabach, Germany, March 11. (P)—Anti-Communist Czechs who have fled to the United States zone of Germany said today they are disillusioned at the "cool reception" so far extended them by the American military government.

"We find ourselves 'guests' of the Germans—a people we fought for six years," said a young Czech student at a German-operated refugee camp here. "We must live on the charity of the Germans and eat their food. It is humiliating."

"As democrats, we came here only because the Americans were here. We thought they would welcome us. We would have gone elsewhere if we had known we were going to be left in German hands."

He said American officers are courteous and sympathetic as individuals.

"But they tell us," he added, "that they have no orders to do anything about us."

World's Largest Bomb to Get Test

Wichita, Kas., March 11 (P)—Approximately 12 test drops, the first of which already has been made, are planned for the world's largest bomb.

The bomb weighs 21 tons. The initial test was made March 5 at Muroc Base, Calif., the army announced yesterday. The bomb was not charged with explosives.

The Boeing Airplane company, which modified a B-29 to carry the missile, said the bomb "was designed by the (Army) Ordnance Department for the air force early in 1945, but the first bombs were not completed until after World War II had ended."

"Known as a general purpose bomb it was intended for use against heavily armored enemy installations. While lacking the destructive power of atomic missiles the 42,000-pound bomb has an advantage in that it leaves no radio activity which might deny use of a captured area to the attacking force."

Leonard Launches Comeback in CIO

Detroit, March 11 (P)—Richard T. Leonard, who lost the vice-presidency of the CIO United Auto Workers in Walter P. Reuther's sweep of the election last November, was back on the "comeback trail" today.

The former international UAW official was elected president of De Soto Local 227 yesterday, 870 to 652.

The 46-year-old Leonard had returned to his job as a De Soto welder after his defeat at Atlantic City last November.

HINT TO MOTORISTS

When a car has been in use for some time, the muffler often becomes clogged, causing the motor to run irregularly and appear to have less than normal power. Whether the muffler is at fault can be determined by disconnecting the exhaust pipe and noting if there is any improvement in performance of the motor.

Briefly Told

Apply For License—Applications for marriage licenses have been made at the office of the county clerk by Edwin A. Johnson and Hano B. Cook of Escanaba; Melvin W. Wester of Gladstone Rt. 1 and Ethel Dube of Escanaba.

Obituary

WILLIAM CRAIG

Funeral services for William Craig were held this morning at 10 o'clock from St. Patrick church with Rev. Fr. Martin Melican officiating.

Palbearers were Ray Moran, of Powers, Fred Perera, Powers, Ernest Johnson, Roger Moras and Otto Perket, of Escanaba and Fred Bagley, of Stephenson. All are members of the railroad telegraphers organization.

Among out-of-town persons attending the services were Ruth Craig and Mr. and Mrs. Keith Gustafson, of Milwaukee, Mr. and Mrs. Richard Craig, of Chicago; Mrs. Marion Long and Gordon Craig, of Gladstone; Mr. and Mrs. Oscar Gustafson, of Norway; John Branski, of Vulcan; Mr. and Mrs. Harry Sinclair, of Joseph and Lowell Sinclair, of Iron Mountain, and Mr. and Mrs. John Overton, of Oconto, Wis.

Burial was made in Holy Cross cemetery.

PFC. R. J. DUMAS

Funeral services for Pfc. Raymond Dumas, son of Mr. and Mrs. Fred Dumas, of Gary, Ind., formerly of Wells, will be held at All Saints church in Gladstone at 9 a. m., Saturday with Father Matt LaViolette officiating. Military services will be conducted by August Mattson post, American Legion. Burial will be in Gardens of Rest cemetery.

Pc. Dumas is being returned from Guadalcanal where he was killed in action October 16, 1943.

New York Papers Set For Strike Of AFL Union Printers

New York, March 11 (P)—New York City's 14 daily newspapers and its \$300,000,000 (M)-a-year commercial printing industry today faced the possibility of strike action by AFL union printers.

The newspapers, represented by the Publishers Association of New York City, filed unfair labor practice charges yesterday against the AFL International Typographical Union and its New York local.

William Mapel, vice-chairman of the association, said that if the union strikes at the expiration of the contract "we shall continue to publish our newspapers." He said publishers had made plans "necessary to bypass the composing room operation and substitute engravings of typewritten paste-ups of newspaper pages."

A similar process now is being used in Chicago where an ITU work stoppage is in progress.

Democrats Support Sigler Suggestion For 4-Year Terms

Lansing, March 11 (P)—Michigan Democrats will support Governor Sigler's proposal for a four-year term for the governor but oppose making the offices of attorney general and secretary of state appointive, John R. Franco, Democratic state chairman said today.

Sigler's plan to amend the constitution to permit the governor to appoint the attorney general and secretary of state, offices which now are elective, was called "a reactionary step" by Franco.

"Governor Sigler shows an alarming lack of confidence in the voters of Michigan," Franco declared. "He obviously feels they are not capable of choosing their own officers. The Democratic party stands for the election of these men by the people. We don't want any governor—Republican or Democratic—to usurp the power of the Michigan voters."

CHICAGO PRICES

CHICAGO FISH
Chicago, Ill.—Supplies of new fresh water fish on Wednesday's market were mostly light. All stocks sold out except lake herring. Prices showed a change on suckers only.

MOTHER ONLY SURVIVOR OF FIERY CRASH

(Continued from Page One)

mandled beyond immediate recognition.

Takes Vertical Dive

Pat Smith, an airport cargo handler, said the plane "came straight down in a vertical dive and splattered and exploded on the ground," near 55th street and Cicero avenue.

Flames shot up 50 feet as the plane flopped to earth "like a pancake," said another witness, C. K. Firth, a gasoline dealer who helped rescue Mrs. Meo.

Relatives said Mrs. Meo, wife of a restaurant owner, was on her way to Miami, Fla., for her health. Mrs. Meo's son's body was found clutched in the arms of another woman. Both bodies were badly burned.

An inquest was scheduled for 10:30 a. m. Friday, Coroner A. L. Brodie said a "blue ribbon" jury of aviation specialists would be summoned.

The crew members were Capt. Grover Lee Holloway, 36, College Park, Ga., the pilot; John S. Dismore, 25, Atlanta, Ga., and Hollywood, Fla. first officer; Miss Sue Young, 26, Fayetteville, N. C., stewardess, and Marvin G. Hairston, 21, Avondale Estates, Ga., purser.

Among the passengers killed was Dr. G. E. Garvin, 42, physician of Blaine, Ohio. He was en route to Cincinnati from San Francisco.

Another passenger, Miss C. Richards, of (1525 Burdette St.) Cincinnati, boarded the plane without a reservation. The airlines said she was about 17 years old and going to Cincinnati for her father's funeral today.

portant records of Zionism.

The agency building is on King George Avenue at one of the most tightly guarded spots in all Jerusalem.

It is circled by high barbed wire and guarded by concrete pillboxes and by sandbag gunposts on the roofs of nearby buildings.

It stands in a 100-yard stretch between the British roadblock gate to security zone B and the Haganah-guarded gate to the Jewish business district.

All other approaches are blocked off by permanent steel and concrete barricades. The Jews placed these across streets and sidewalks over a month ago, shutting off all traffic.

Machinery Co., Cincinnati.
Fred Wilkins, 36, Oak Lawn, Ill., en route to Miami to pick up an automobile for his employer. (Body identified by brother).
Ralph Raymond Levy, 41, 953 Hyde Park Boulevard, Chicago, an insurance broker, en route to Miami to visit critically ill father.

Albert H. Meo, Jr., 7, of 941 West Taylor St., Chicago.
Dr. C. E. Garvin, Blaine, Ohio, a transfer passenger from a United Air Lines flight from San Francisco.

Harold Levy, 47, prominent Chicago criminal lawyer enroute with his brother Ralph to bedside of father in Miami.

The crew:
Capt. Grover Lee Holloway, 36, College Park, Ga., the pilot.
First officer John S. Dismore, 25, Atlanta, Ga., and Hollywood, Fla., co-pilot.

Miss Sue Young, 26, Fayetteville, N. C., stewardess.
Marvin G. Hairston, purser, Avondale Estates, Ga.

Mrs. Tripolino Meo, 33, who suffered fractures of both legs and extensive burns over her entire body, was the only survivor.

At the hospital she kept crying for "my baby." "Baby" was Albert, Jr., whose body was taken to the county morgue.

JEW AGENCY IS BLOWN UP IN JERUSALEM

(Continued from Page One)

JAN MASARYK FUNERAL SET FOR SATURDAY

(Continued from Page One)

black banners did not begin to tell the story of the loss felt by the nation's "little people."

Czechoslovaks are a hard-headed, soft-hearted people, unashamed of sentimentality. The love they lavished on their world-famous son in his lifetime was matched at his death by their sorrowing. The tone of melancholy was set by radio broadcasts, with continuous reference to his death and with the somber melodies of Czech funeral music.

To thousands the loss was personal, because Masaryk numbered his personal friends in the thousands. And to millions the country's loss was real, because they shared with him the tradition of the Masaryk family-name and the big part it played in the birth and building of the republic of the Czechs and Slovaks during and after the first World War.

They knew the young Jan who stood up in the councils of the world and talked with the mighty. And they knew he came back to enjoy picnics in the country, to swim at public beaches in the Vltava river here, to chat and joke with shopkeepers, waiters and workmen in a familiar way his father, the old professor, never had.

"I am glad to be home," he said in his last public news conference, upon his return from the 1947 United Nations assembly meeting in New York. "I am glad to be back with my little people."

That was the last time western correspondents saw him in any number. During and after the political crisis that saw Czechoslovakia go under Communist control, he denied himself to western newsmen.

DIPLOMATS QUIT
London, March 11 (P)—Three more Czechoslovak diplomats resigned their posts today amid repercussions of Jan Masaryk's death.

Prince Frantisek Schwarzenberg, hero of the Czech resistance against the Nazis, quit as first secretary of the Czech legation at the Vatican.

"It is obvious my resignation

Old Gymnasium Burns At Rock

(Continue! from Page One)

and reported the fire immediately to Weingartner, who said the fire had gained too much headway to be extinguished. Rock and Perkins fire departments were called, but the building could not be saved.

Because of the strong northwest wind, firemen concentrated their streams of water on the Catholic church about 250 feet southeast of the burning building.

As the building broke into flames on the outside, the wind fortunately shifted from northwest to north, a factor which aided the firemen materially in saving the church.

In addition to the building, lockers and a quantity of basketball equipment also was destroyed.

"We hope to build a new gymnasium as soon as possible to replace the burned building," Weingartner said. "Fortunately, plans had already been drawn and submitted calling for a brick and tile structure, which will house a gym, farm shop, kindergarten and hot lunch project."
